TURNING COASTAL ASSETS INTO SUCCESS

The rhythm of life and commerce in Oscoda-AuSable flourishes with a natural energy along the shore of Lake Huron, the fourth largest freshwater lake on the planet.

Hugging Michigan's Sunrise Coast, Oscoda offers more than 10 miles of sandy beach, outstanding sportfishing and some of North America's best canoeing on the mighty AuSable River. Its outdoor character celebrates the seasons along the waters and woods of the Huron National Forest. Its natural environment attracts and retains talent for building a vibrant community.

Forever resilient and forward-looking, Oscoda-AuSable's diverse businesses forge a competitive and modern economy. The Oscoda-Wurtsmith Airport Authority serves as the Local Redevelopment Authority for a growing commercial aviation maintenance industry. It is supported by a community of manufacturing, technology, medical, housing, educational, community services and recreational enterprises.

The Oscoda-AuSable Chamber of Commerce proudly champions the interests of the business community. It dedicates its expertise to energizing member success and continues to advance the Sunrise Coast's outstanding quality of life.

The area is known as Oscoda-AuSable... naturally.

Charter Township of **AuSable**

Where the Great AuSable River joins beautiful Lake Huron

AuSable Township, site of the first settlement established in Iosco County in 1848, is now a modern zoned community. Mindful of its rich heritage while possessing a vision for the future, AuSable has become a favorite destination for tourists, families and retirees alike. Plentiful public parks provide a safe and enjoyable environment for families to swim, fish, picnic, and participate in organized team sports. More adventurous enthusiasts enjoy some of the finest sport fishing, hunting, hiking, canoeing, golfing, boating, camping, snowmobiling and cross country skiing in the country! Michigan's Shore to Shore horseback riding and hiking trail originates at our Shoreline Park!

Industrial and business opportunities abound, including a growing industrial park. AuSable Township takes great pride in maintaining its infrastructure to facilitate the needs of citizens and visitors alike.

We encourage you to come visit, and we'd love to have you stay...

CREATING STRATEGIC ALLIANCES FOR A VIBRANT COMMUNITY

Before Wurtsmith Air Force Base was established and before Oscoda was declared Paul Bunyan's official birthplace, the Oscoda-AuSable Chamber of Commerce was advocating for a robust business environment and strong community.

The Chamber continues its mission of developing member opportunities and stimulating economic growth. The Sunrise Side's professional business organization remains dedicated to delivering cutting-edge services to its 250 business, nonprofit and affiliated members.

The Chamber believes that businesses grow with community support. In response to the large number of non-profit organizations, it developed the Non-Profit Round Table. The group meets quarterly to strengthen the foundation of the community by focusing on solving problems, raising money, sharing ideas and connecting people and groups. The progressive roundtable helps organizations stay ahead of the trends, celebrates volunteers and supports and encourages development.

RETURN ON INVESTMENT

For a modest investment, members grow success through participation in Chamber seminars, education and training on contemporary business practices. The Chamber connects members to customers by fielding more than 30,000 direct inquiries annually. Its members-

first philosophy keeps dollars close to home and builds a solid economic foundation.

Through Chamber networking events, members gain visibility and make productive connections. Opportunities include the annual Awards Banquet and Scholarship Golf Outing. At the annual membership and networking meeting, members are recognized with the Outstanding Business and Service Awards, voted on by their peers. Categories include community involvement, innovation, longevity, hospitality, community service, customer service and excellence.

Member advertising advantages provide digital age access to new markets. Internet-based marketing options, such as Google virtual tours, allow the Chamber to reach half a million people annually on behalf of members and the community.

Over the years, the Chamber has fine-tuned programs to bring members superior advantages, including member-to-member discounts. Savings come through joint membership in the Small Business Association of Michigan, which offers health insurance through Blue Cross Blue Shield of Michigan, consumer directed health plans, COBRA Administration, credit card processing, payroll services and much more.

Through the decades, strong Chamber/member alliances continue to play an indispensable role in creating a vibrant economy, in building a desirable community and shaping the unique Oscoda-AuSable character.

- Major rivers: AuSable River, AuGres River, Pine River

BUSINESS & WORKFORCE DEVELOPMENT

Working

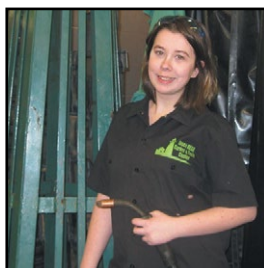

TRANSLATING POTENTIAL INTO REALITY IN A MODERN ECONOMY

everaging the partnership between education and business in the Oscoda-AuSable community provides opportunities for a new generation of students entering the workforce.

Alpena Community College's (ACC) Oscoda campus is home to a \$500,000 tech lab for advanced manufacturing training, designed with input from local manufacturers. The Industrial Technology certificate program provides knowledge for employment into entry level positions.

The new space features three welders, an autoclave, a dynamic load frame, 3D printer and other tools. One of the programs taking off on campus is Electrical Systems Engineering, training students to work on the nation's electrical grid system for employment in the fields of electric distribution, transmission and generation.

In 2018, ACC brought its full LPN program to Oscoda, reacting to the demand for nurses with local students earning associate degrees and certifications. ACC has a proven record for high graduation rates since the program began in 1973 and offers partnerships with accredited institutions such as Davenport University, UM-Flint, Chamberlain University and Oakland University for students looking to pursue their bachelor's degree in nursing.

Together

OSCODA-AUSABLE HUB

AUSABLE TRAILHEAD MARKET STRENGTHENS WATERFRONT OFFERINGS

DEVELOPMENT PLANS ARE underway to turn the mouth of the AuSable River into a hub of activity in AuSable Township. Leveraging the natural beauty of the AuSable and Lake Huron, the centerpiece will be the AuSable Trailhead Market.

The market will serve as a multi-trail facility at the head of the Iosco Exploration Trail's portion of the Iron Belle biking trail, the Michigan Shore-to-Shore horseback and hiking trail, as well as a birder trail. In addition, the North Eastern Regional Farm Market will conduct its Wednesday market there.

The project is expected to be completed in 2020 or early 2021.

AuSable Trailhead Market is the perfect spot to stop and enjoy the area. Located directly on scenic Lake Huron and easily accessible from U.S. 23, the trailhead will have bike repair stations to assist cyclists along their ride. They can also stock up on food and drink, and shop in downtown Oscoda.

The market's location—where the AuSable River meets Lake Huron—is a great source of pride for residents. The small, quiet community offers abundant natural resources. It's a place where the burden and stress of everyday life is left behind.

The hunting is good, the beaches are phenomenal—and one of the area's best kept secrets. There are plenty of fish to be had and stories to tell.

- There's canoeing.
- There's kayaking.
- There's floating down the river.

In Oscoda-AuSable, the river is life, the water is pure and the adventure never ending.

WORKPLACE & HIGHER EDUCATION

The Iosco Regional Education Service Agency (RESA) partners with business to provide high school juniors and seniors a jump-start on careers. RESA collaborates with 100 companies to produce job- and college-ready young people.

Companies and organizations partner to offer worksite instruction at 20 locations. On average, 170 high school students enroll annually in the RESA career technical education program for training in health services, aircraft maintenance, culinary arts and restaurant management, auto technology and power mechanics. RESA also offers programs in the building trades and teacher preparation. Career & Technical Education (CTE) students may receive as many as 17 college credits.

A growing number of Oscoda Area School students take advantage of CTE programs and dual enrollment opportunities.

- Students also benefit from on-campus financial training provided by local banks and credit unions.
- Area manufacturers invest in the future workforce through STEM education.
- Support and food service organizations and merchants host student field trips.

Kirtland Community College is also a vital partner, offering in-demand training to high school and college students, providing

advanced training in automotive, computer, electrical, welding and fabrication, and in other areas such as certified safety and nurse aide training.

The college offers students two ways to earn credits while in high school—dual enrollment and Early College. These programs allow students to take up to 60 tuition-free credits on-campus or online.

AVIATION TRAINING

Kalitta Air offers a 30-month Aircraft Maintenance Apprenticeship program at its maintenance base in Oscoda. Qualified candidates work and learn alongside veterans in the aviation industry and get paid while they're learning. Kalitta invests about 5,000 hours of instruction and on-the-job training to prepare candidates to become fully licensed Airframe and Powerplant technicians.

The community's hands-on approach to workforce development is a proactive blueprint for supporting education's efforts in keeping the economy strong. 🌱

Creative living

WHERE NATURE INSPIRES WAYS TO EXPRESS YOURSELF

With Lake Huron as a scenic backdrop, Oscoda-AuSable's creative community finds infinite inspiration in building a vibrant arts scene. Opportunities are abundant for artistic development and cultural pleasure.

Truly Yours Signs and Shirts offers painting classes and collaborates with area artists to create pop-up art galleries displaying fine art, sculpture, wood and ivory carving, and illustration that brings art to the public in a unique venue.

Oscoda-AuSable's Shelton Fund for the Arts seeks to inform and empower artists with workshops featuring recognized artisans like

Heiner Hertling, from the PBS show *Your Brush with Nature*. Shelton Fund for the Arts exists to inspire, nurture, promote and support the arts for the education, enjoyment and enrichment of the community.

As many as 100 artists and artisans showcase their talent at the annual Art on the Beach in June.

The Shoreline Players have revitalized the theater community with the live production of dramas, comedies, musicals and variety shows featuring hundreds of local actors and artists. The troupe was recognized in 2019

by the Chamber for its longevity in the community. Shoreline Players annually presents a free Christmas show, a not-to-be-missed highlight of the season.

ARTISTIC DIVERSITY

Inspiration knows no age bounds. Youth discover their creative side at Huron Forest Camp CedarRidge. Located amid the Huron National Forest, this unplugged Christian camp supports self-expression through skill-based, custom camper experiences which include options for theater and visual arts pursuits.

Oscoda High School's Mary Anne Bartels Auditorium, the largest auditorium in Iosco County, hosts a variety of stage performances, including productions presented by Northeast Academy of Dance. Professional dancers Scott Heinrich and Giuseppe Canale have trained dancers from around the world at their Oscoda academy since 1997.

Art in the great outdoors happens throughout the summer with Oscoda Rotary Club's Thursday night Concert on the Beach series. On Wednesday nights, the free Starry Nights at the Pier Summer Movie Series is presented by the Oscoda Area Convention and Visitors Bureau.

Local creativity comes in many forms—from writers, jewelers and watercolorists to actors, dancers and ukulele players—all adding color to the palette of life in the Oscoda-AuSable area. 

Revitalize your spirit, naturally

STEP INTO THE OSCODA-AUSABLE GREAT OUTDOORS

Oscoda-AuSable is one of the best kept secrets along Michigan's Sunrise Coast for healthy fun and inspiring recreation.

Investment in expanding the area trail network demonstrates local, state and federal commitments.

Phase One of the 34-mile Iosco Exploration Trail is fully opening in 2020. The 2.8-mile segment stretches from Trailhead Market in AuSable to Oscoda High School. Phase Two of the seven-stage project, a 1.1-mile stretch in the Loon Lake area, is already completed. Phase Three, linking Oscoda High School to Old Orchard Park, is in the design process.

When realized, the five-year, \$8.6 million trail will connect Oscoda to Hale, primarily running along the River Road National Scenic Byway. It will link local communities, schools and recreation destinations. Segments will also connect to the Sunrise Side Pathway portion of the statewide Iron Belle Trail.

TAKING ON THE TRAIL

Trendy and fun, fat-tire biking fans find challenge along the Eagle Run two-track trail in Oscoda. The looped system offers seven miles of pathway with stunning views of the AuSable River. It's groomed in winter and shared with cross-country skiers and snowshoe enthusiasts.

Development is underway with the National Forest Service to create the Iosco Trail, a the single-track, destination worthy mountain bike trail showcasing the pristine woodlands of the Huron Forest.

Corsair Trail, open year-round, spans 28 miles through the Huron National Forest. Its beauty attracts 25,000 hikers each year and is especially popular with Nordic skiers. The seven-mile Highbanks River Trail offers all-season nonmotorized activities with access points at Largo Springs and Lumberman's Monument.

INSPIRING WELLNESS

Community health and happiness expand through HealthQuest and its volunteers. Events promote exercise, environmental quality and wellbeing. The HealthQuest-sponsored Shore Fun Beach Run at Oscoda Beach takes place June 27, 2020, in conjunction with the annual Art on the Beach.

HealthQuest events are "dedicated to inspiring and educating the community to thrive and live healthy, happy, balanced and energetic lives!" They include a beach clean-up event, comedy show, moonrise meditation, mindfulness hikes and the Oscoda Yoga Fest. HealthQuest's latest launch, the Karma Krew, is a community member led resource for volunteer activities. Founders Jeff and Martha Gottlieb also operate Expressions of Health which offers custom health retreats, Reiki therapy, yoga and more.

EMBRACING YOUR INNER WILD

First-class fishing therapy takes place along Lake Huron and inland waters. Known for its spring walleye fishing, Oscoda Pier provides the perfect place to wet your line.

Whether it's inland fishing on the AuSable River or salmon fishing on Lake Huron, anglers have plenty of options to reel in bass, trout, steelhead, salmon and walleye.

Local charters offer excursions, guide services and provide gear and fish cleaning services.

The AuSable River, a legendary trout stream, provides exceptional drift boat fishing for brown, rainbow and brook trout. Ice fishing hot spots include the frozen waters at Cooke and Foote dams for walleye, bluegill, pumpkinseed, crappie and bass.

Bring your own boat and access the water at the Oscoda boat launch. The site includes concrete ramps, a large, well-lit parking area open 24 hours and five docks with loading on either side. There are also restrooms onsite and bait shops on either side of the river.

LOOKING TO THE SKIES

Spring marks the great bird migration along the 145-mile Sunrise Coast Birding Trail, which begins behind the Oscoda-AuSable Chamber office and follows U.S. 23 from the mouth of the AuSable River at Shoreline Park to Mackinaw City.

The Michigan Audubon Tawas Point Birding Festival is held every other year drawing novice and expert birders for a four-day celebration. A record 178 species were recorded during the 2019 festival, including the endangered Kirtland's Warbler. Popular area birding sites include the AuSable River corridor, Clark's Marsh and the 5,000-acre Tuttle Marsh National Wildlife Area.

In the fall, the greater Oscoda area is a prime area to capture a trophy buck, bag your limit of waterfowl or bring home a prize wild turkey. The Manistee-Huron National Forest, just inland from the township, provides great cover and food supply for large and small game in Iosco County.

There's no reason to stop when the snow flies. Clip on your snowshoes or cross-country skis to venture into a world of snowy wonder. Hop on your snowmobile or ORV for a wilderness adventure on multiple forest trails and roads that showcase Iosco County's winter abundance.

Oscoda-AuSable's clear waters, golden beaches and bountiful woodlands create an outdoor lover's ideal natural playscape across all four seasons. 🌿

"It's about time."

Having a family brings a lot of changes to life. Now, there are others that need you. Even though it seems impossible, the time goes by too quickly. Parents can't put off teaching the important things. If you wait, it may be too late to pass along your values, your faith. Join us on Sunday at 11 am or call 739-5441. *Isn't it about time?*

Enjoy the AuSable River!

CANOEING Enjoy the AuSable River at its finest while leisurely floating down its waters. Voted Michigan's Favorite Canoe Livery by AAA Michigan Living Magazine.

KAYAKING Single and tandem kayaks are available for our two or four hour trips. Longer and overnight trips are also available.

TUBING Tubing is a great way to relax and spend the day on the AuSable. Cooler tubes can be rented if available.

An Associate Degree can earn you an extra **\$400,000** more than a high school diploma.

Start working toward your \$400,000 at ACC's Huron Shores Campus!

ACC offers a variety of courses at the HUSH Campus.

TAKE A STROLL TAKE FLIGHT UP MICHIGAN'S SUNRISE COAST

Just up Michigan's Sunrise Coast, past the speeding interstate, is a community where vacations begin and never end.

A place where the sun is served fresh daily.

A place people came because of the land and stayed because of the water.

A place that defended our country and protected the globe.

A place where the legend of the lumberjack was born.

A place where life on these sandy beaches thrives through all four seasons.

We are Oscoda, and we are proud of this place we call home. This place where opportunity truly exists.

We invite you to spread your wings and take flight

WELCOME TO OSCODA!

Please enjoy these coupons from local businesses.

To redeem your coupon for the discount program, please stop by and introduce yourself to Tammy Kline at the Oscoda Township Building, 110 S. State St., Oscoda MI 48750

We hope to see all our new residents at any of the monthly gatherings.

So our businesses may plan accordingly, we ask that you email us your RSVP ahead of time the Friday before the event, RMadis@oscodatownshipmi.gov.

Locations may be subject to change, we recommend checking the Economic Improvement Committee website for the latest in discounts and gatherings visit <http://www.oscodatownshippeic.com>
