5	How about "our promised" community center? There's no place for the youth (up to ages 18-not just the little ones) to go and participate in leisure activities or basketball etc. Not every child can be on a school team! If we had a community center there would be a place for the Rotary club, Legion, VFW, etc. to mentor kids in things like the "Rocket" program the Rotary has. We has a lot of retired talent in Oscoda- people who could hold free classes in lots of areas, musical instruments, art, etc. We need to make more connections with out youth and our youth need to make more connections across different age groups and interests. You could have demonstrations on fly making or other fish related talents, woodcarving, archery, etc. I'm thinking of "transferring" or sharing many of the hobbies adults and seniors have into demonstrations and scheduled on-hands activities / experiences. Our library is doing some of this on a small scale. Maybe we could lease / buy the Family video store and use that as a community center. It's centrally located and would show potential buyers, who consider moving here, that we are invested in our youth.	10/25/2022 10:28 AM

15	Better affordable restaurants,. I feel Oscoda has many events to choose from. A groomed ice skating area would be nice in the winter	10/2/2022 7:11 PM
16	We were in town on vacation and stopped by the Paul Bunyan Festival. Great location having it in Furtaw Field, where you are able to bring in people just passing through town. Please don't ruin this great location. Leave it vacant for the park and to host festivals, arts and craft shows, concerts, Oktoberfest's, etc. These events will increase traffic to the town, which in turn helps out the businesses there.	10/2/2022 6:54 PM

31	Music, Art, Dining. The link between downtown and the lake should be strengthened because the lake is the greatest asset. What the downtown lacks is a place to gather ...to sit, drink coffee, socialize, have community events. Summertime have it open for tag football, frisbee, etc. Have sitting areas benches tables. Food trucks with food hot cocoa for winter. There is so much potential in this town. The ones overseeing it need to see that. More businesses means more money stays in town	9/29/2022 12:21 PM

66	Big Box Stores (Target, Northwoods). Clothing Boutiques More concerts (DSO on the Beach)	9/27/2022 7:11 PM
67	MUSIC PLAYING via street speakers every day and evening. Movie Theater, Starbucks, Sprouts Market, Dry Goods Store, Wine Shop with Tasting, Cheese and a local feel. Home Depot or Lowes or better Lumber/ Stores for DIYers. Free Concerts at the Beach. Historical Town "Walks" (Guided Tours through downtown) Haunted Walks during October. Have all the businesses stay open LATE one evening and "open doors" to a festival like Welcome or "meet and greet" the community to link local businesses with those in the area. Businesses would decorate with lights and perhaps offer a small sample or "free" item to entice people to "walk in" and SHOP! Music is a must in town. More sidewalk benches and put Tables with colorful Umbrellas on the sidewalks in Summer. Horse Drawn Carriage rides are fun. In New York you can take a ride through town any day of the week. 181	I would like to see more events as that would attract people to the downtown area (ie farmers market on Dwight St, music festivals, craft shows, community events, etc - but actually put effort into them to make them more legit than the ones we currently have	9/23/2022 10:25 AM

182	Art	9/23/2022 10:00 AM
183	We would like to see a dry cleaner located downtown. They might also offer the services of a Tailor or seamstress. I think Furtaw Field is under-utilized and would benefit from a wider variety of gatherings and events that are fresh - and not offered nearby. For example - a Story-telling Festival. I have other ideas. Even the Paul Bunyan Festival could use a big refresh. I have ideas for that as well. I do not think we need another marijuana shop or another grow business. We have to have more imagination when it comes to commercial development.	9/23/2022 8:40 AM

594	1. Would love a wine tasting. Doesn't have to be all Michigan wines like Tawas has, just something to have with local food vendors for a taste of Oscoda and some good wines and beers. 2. I have heard others talk about food trucks for a variety and a seating area (this would be good for spring-fall) 3. More shopping if enough pp can come to shop and support the businesses 4. Pool would be great. I understand we have the lake, which we love, but sometimes it's not conducive to swim in the lake and a pool would be great. The high school has an occasional swim but it's not the same. A pool with a slide for kids would be fantastic. *We bought our home over a decade ago, though we had been vacationing in Oscoda a few years before. We often say Oscoda is slightly behind as opposed to Tawas and certainly no where near as busy as the west side of the state. But it's nice that the township is trying to bring more businesses and people to the community to support local businesses so it doesn't become a dying town. It is sad to see so many places delapated and closed. Would be nice to see something go in where the Kmart was. In a perfect world, would love a Target but don't think there's one on the route that deliveries could make a stop in Oscoda? A Meijer would be nice but that would hurt both Family Fare and Rogers. We think it's exciting that OTB is working hard to bring more businesses and people to the area to support our local businesses and help our housing values. We plan to retire full time in Oscoda in the near future.	9/16/2022 2:29 PM

623	More entertainment style businesses. Arcades, Escape Rooms, Etc.	9/13/2022 11:15 PM
624	More restaurants /bars (middle eastern, sushi, street tacos, food trucks by the beach, brewery's, beer gardens, tiki bars on the beach), work clothing stores/power sport clothing stores, everyday clothing. An arcade/pool hall. A legitimate movie theater/drive in. Besides downtown more gas stations out near the Orv trails. I think it's nuts that oscoda/ausable has one of the biggest off road networks in the state and it literally has one gas station (dam store) that double charges you for gas. It's nuts. SOMETHING NEEDS TO HAPPEN TO THE ELEMENTARY SCHOOL ON MICHIGAN AVENUE. it's an awesome building and has potential. And remove some of the vacant buildings downtown.	9/13/2022 10:30 PM

644	Winter ice skating rink. Laser tag facility. Indoor or outdoor go-kart tracks. Any kind of business that isn't solely a tourist attraction or just another bar would be great. A better playground for my children. Most of the time my wife and I take our kids to Tawas to go to the playground because there is less sand and better play equipment. We will definitely be frequenting less now that the new hotel is going up right at the beach. We are considering moving because the township doesn't seem to care what permanent residents need, they only want to bring in tourism. There is nothing to do in the winter.	9/13/2022 12:28 PM

686	Fair, food, beach, canoe in river.	9/13/2022 6:54 AM
687	Not sure bringing more businesses to downtown would benefit the area. Most people will go to Alpena or Tawas to Walmart. I think we should think about a Meijer where the old Kmart was. More jobs to the area and the small businesses can still be supported.	9/13/2022 6:53 AM

691	We need better dining options, more tourist type shops, and far less weedy parking lots full of blight. We DO NOT NEED some idiotic looking housing development on Furtaw Field. That should be for events. The base is a nasty looking option for events and needs to be cleaned up as well. Farmers Markets need to be held on the weekend, not in the middle of the week in the morning when everyone with money is at work. We need better people in the township board who aren't protecting their own businesses by letting everyone else's business fall to ruin. Either make the effort to do your job or stop bothering us with surveys you'll never	9/13/2022 6:33 AM

respond to. Lastly, get control of your rental cost situation or you'll end up with the worlds largest trailer park/homeless tent city.

793	When asking about events that people would like to see in Downtown Oscoda, good follow-up questions to ask would be if those people are willing to help do the work to make those events successful. Are they willing to go to local business and ask for sponsorships? Are they willing to become volunteers? In my opinion, if those questions aren't asked and answered, when an event doesn't happen, Oscoda Township runs the risk of looking foolish. One organization or business in the Township cannot be expected to do all the events themselves or does Oscoda Township have the resources and monies available to go into the "Event Planning" business?	8/26/2022 6:10 PM

30	We enjoyed looking at the art on the posts, and admired the work of the artists' very much. We also really enjoyed the photos of the high school graduates on banners and thought that was just a magnificent touch! We hope it returns in the spring! Doing what can be done to create, continuity, and cohesiveness among the businesses will go along way to elevating that stretch of road. Common banners, and flags, common plantings, perhaps even matching doormats, we need to be creative and have more imagination. 33	Would like more art programs and classes, not necessarily more displays. The displays could be in current art building or other building that offers art skills programs. Eg. Painting, drawing, photography, music, sewing, felting, wood working, upholstery, car renovations, welding, gardening, etc. These classes could invite multiple disciplines and do cross sharing. Would also like a bike club and kayak club.	9/22/2022 7:13 PM

183	Unfortunately, we find ourselves going to Walmart in Towus at least twice a month. We have bought everything from home Decor, to birdfeeders to men's footies. The produce at Walmart is superior to what is sold here in town, and that is a great sadness. We know our store owners are struggling to keep things going.	9/23/2022 8:40 AM

212	Yes we travel to Alpena and Tawas for shopping for art, when friends come into town we take them there versus downtown Oscoda bc it's presented in a way that is more appealing (has more restaurants, shops, not so many abandoned buildings, the pier is accessible/visible, more areas to walk that are appealing, etc).	9/22/2022 10:25 AM

228	All the odds and ends that I used to buy at Kmart. Dishes, clothes, etc. I would also appreciate a better food store. Rogers is to small to have much selection, and they have a hard time selling their produce great enough to keep it fresh. Family fare is simply a mediocre store.	9/21/2022 6:56 PM

235	Yes Walmart, and we bring food,supplies from downstate as the prices are OUTRAGOUS in OSCODA. Everyrthing is double if not triple. For instance I purchased a tube of chalk from Rodgers (ACE) for \$13.00 downstate SAME item 6.00. Any service people are just CROOKS. NEVER EVER GIVE A DEPOSIT TO ANY CONTRACTOR. You will never see them again. My neighbor gave a contractor \$2400.00 deposit on a retaining wall...guess what never seen him again. Got anj estimate for a bathroom re do. Then raised price after we gave him a deposit. Not just allit more \$3000.00. Hired a guy to paint my trim on the garage. Gave him \$100.00 after he told me some story about his sick daughter. NEVER SEEN HIM AGAIN EVEN KEPT MY PAINT that he insisted I buy before he started the job. I can go on and on.....	9/21/2022 5:45 PM

609	Yes. 1. Unfortunately quite a few items. We support Vinnie's Hardware and Rogers as a back up for tools but sometimes they don't have and we have to go to Home Depot to get it. Especially larger items. 2. Appliances - I don't think any of our appliances we bought in Oscoda. 3. Furniture - we bought a lot from the former Art Van in East Tawas 4. Carpet was bought in Augres 5. We stock up on items at Costco downstate 6. We sometimes travel to Alpena for Meijer, Sporting goods items The things we buy in Oscoda are: groceries except when we need specialty items, some hardware items, cards and some clothing items from Cathy's hallmark, we love Sunrise kava cafe. But even dining these days we go to tawas and eat at Mangoes, Mr. Jackss and we are looking forward to trying the new Social Oak. We miss Blue Iguana and ate there often but unfortunately they couldn't do enough business to stay open (that's what we were told and due to not having a liquor license). We do sometimes eat at The Office and Hilltop (talked with the new owner recently). My husband and I always say we need to spend more money in Oscoda but unfortunately, we just can't find all the items and services we need.	9/16/2022 2:29 PM

I go to Meijer's in Alpena for home goods and better prices on groceries. I also go to Home Depot for better selection and prices on hardware goods. Tawas for dental services. There is a lack of emergency medical care for pets and people in Oscoda.	9/15/2022 4:40 PM

637	I go outside of Oscoda to do most of my shopping due to the price and lack of variety for shopping. Walmart in Tawas, Mijers in Alpena. Oscoda needs a bigger named option in or near town.	9/13/2022 11:15 PM
638	Grocery shopping. I'm from downstate but work at kalitta. I cannot understand why groceries are like almost double the price up here. I go downstate atleast once/twice a month while visiting friends and family to get my groceries there. I get almost double the amount for the same price downstate. Idk where people say the cost of living is cheaper up here lol. Restaurants/bars and pretty much any clothing store, power sport store (being repairs, gear), grocers (costco, plum market, whole foods, and Kroger). I get it that it's a small town but if oscoda wants more traffic, if a Costco/Kroger it would bring more variety of foods, and brands of things you can't get up here as well. I know it can destroy small businesses but it needs to happen. I feel as if oscoda hasnt changed since the 70's-80's. Urban sprawl is happening.	9/13/2022 10:30 PM

Oscoda doesn't have reasonably priced groceries, doesn't have good places to eat unless you like McDonald's or bad pizza, and doesn't have anything for young families to do during the 8 month long winter. Oscoda is not a good place for young families to live overall	9/12/2022 5:36 PM
739	Walmart	9/12/2022 5:34 PM
740	Yes, everything. Oscoda is underdeveloped- wouldn't live here if it wasn't for work	9/12/2022 5:26 PM
741	We as a family leave Oscoda for everything, now days in Oscoda you cant buy socks for your kids, gas is always more, food is always more ext.. Seems Oscoda pushes it all to another town. I grew up in Oscoda seen this all my 40 years of life...	9/12/2022 5:20 PM

755	Clothes shopping, Aldi, appliances, technology purchases, large food shopping trips	9/12/2022 4:18 PM
756	Everything... we have very limited shopping in Oscoda. We need something like a Target to get every day essentials. We need an affordable grocery store like ALDIs. I have to go to 3 places sometimes just to find an ingredient I'm looking for to make dinner locally. There is also no place in town for parents to get last minute items needed for their kids. For instance.... What if my son came home and needed a white t-shirt the next day for school? We would have to go to Walmart! Losing Kmart has been devastating for working family's with kids.	9/12/2022 4:18 PM

773	Yes, mostly to get gas because all other places around oscoda are cheaper gas. Lower the prices of gas. Don't know why it always has to be 30 cents more expensive. And Grocery stores. Family fare is too expensive, so we travel to Walmart in Tawas. Maybe a Meijer in the oscoda area? That will bring lots of people!!	9/11/2022 7:38 PM

789	Clothing, furniture, shoes	9/7/2022 1:06 PM
790	Absolutely! There is very little of anything offered for sale in Oscoda. We need a Meijer or Target to replace the old Kmart.	9/7/2022 1:03 PM

817	Yes, absolutely! Gasoline is cheaper in the Tawas, West Branch and Alpena area than what it is in Oscoda. If I'm in those areas for other reasons or business, it's foolish not to gas up in those areas. Clothing, home goods, and sometimes groceries are cheaper in other areas than in Oscoda Township.	8/26/2022 6:10 PM

23	Who would want to invest. Those building have not been kept up and not energy efficient along with needing thousands of dollars in renovating. They need to be taken down and start over again. We need a developer to come into town and buy a strip of buildings and start from scratch.	9/29/2022 8:05 AM
24	I'm not there enough, a tourist center. a place that links local vacation spots, hotels, rentals, Airbnb, tours of the area, boat charters. Push the local business. If you can boost interest, visitors, visits to local fun spots, business will come. Make it a center for visitors, and where locals can also inquire about including their business big or small. It should also be a place where visitors and locals can gather, take classes..	9/28/2022 10:26 PM

273	Need to get a functional community first. Why is the EIC Director nor pursuing move development in our community. Maybe we need to hire a local candidate with ties to our community who better understand our demographics.	9/9/2022 2:48 PM
274	Are you kidding? We pay an EIC Director over 130k a year and he does not live in Oscoda? EIC Director also has no requirement for information exchange with community. He should be at every OTB Meeting giving an update.	9/9/2022 8:54 AM

Q13 Please list any other comments or questions regarding these survey questions, as well as other suggestions you have to enhance Downtown Oscoda (improvements to existing buildings/infrastructure, types of businesses, amenities, types of events you would like to see, etc.).

#	RESPONSES	DATE
1	I would like to see more of the community type events that incorporates the asset of our beautiful Lake Huron and other parks in Oscoda.	10/31/2022 9:53 AM
2	Owners of old stores should demo them new and efficient, attractive buildings for retail (not big box stores) The building and zoning department should follow the rules Retail- with summer time, extended shopping hours so people may explore downtown. Thursday night on dewight street keeps me at home. I'm sure some like it.	10/25/2022 10:43 AM
3	Leave Furtaw field alone. As referenced above, too many vacant buildings and properties available.	10/25/2022 10:38 AM
4	It is my belief that the Board of trustees have lost touch with community. I, the leader of this board, has to be forced to listen to information at PFAS and that danger to the community and them be remained of their obligation to be part of the group to push the Air force into remediation. It's time for new leadership.	10/25/2022 10:33 AM
5	We absolutely need a public bathroom like Tawas has that is open on the weekends and in the fall / winter. Many locals as well as tourists use the beach all year but when the bathrooms are closed for the season, the only available public restrooms is in the township hall which is not open on the weekends! This is the biggest complaint I hear over and over- they want people to shop downtown but there are no public restrooms! So you want survey results but what about in-person results from our 2 years ago referring where to re-locate the fire/police/township offices? The township presented plans including a new community center then sold or leased our community center and never rebuilt it! You want people to move here but really have not offered them much. Thank goodness the library is still open and is picking up some of the slack by offering programs / events geared toward the local community. I feel the township is more focused on bringing events to attract tourists to spend money and the only ones that benefits are the restaurants, gas stations, grocery and dollar stores. You don't seem to keep the big picture in mind which should be increasing the local population that live here year round. Many young people who grew up here don't stay because there have never been apartments for them. Most of the apartments are income controlled and no activities for the younger set. Everything seems to be geared for families.	10/25/2022 10:28 AM
6	The downtown gardening and decorations people do a nice job! Hopefully the space port will bring more people and amenities to Oscoda and downtown. I miss Kmart. I wish I could be more help!	10/25/2022 10:10 AM
7	Apartments in the upstairs of downtown buildings	10/25/2022 10:00 AM
8	Appreciate the quaint atmosphere. Business leaders need to connect and relate their problems (commission). We NEED a blight department. That will really address and correct our many problems!	10/25/2022 9:57 AM
9	1. Remodeling of the school on Pearl St. Why is it that no developer is interested? 2. Remodeling of Pack House. It is a historic structure with potential but has become an eyesore 3. Demolition of a number of empty / rundown buildings which we would be better off with if they were bulldozed. "Addition by subtraction" (example; Cliff's Engraving) 3. Upgrade / modernize the bathhouse at the Beach Park. The beach itself is great, the current bathhouse is a turnoff. 4. The Fourth of July fireworks were terrific! We had guests from downstate and everyone of them was impressed.	10/25/2022 9:51 AM
10	Most existing builds are empty and eyesores	10/25/2022 9:43 AM

11	We need (desperately) access to public bathrooms if the township building isn't open. The choice is the beach which isn't always open. Towns smaller than ours even in the U.P have bathrooms more blight enforcement- why are former businesses now homes? Community center Recycling!!!- it is a shame in this day and age that it is not offered. We believe that is why locals dump in the woods in some cities. A free, special pickup of larger items is offered.	10/25/2022 9:40 AM

14	Business owners should take better care of their property, a new coat of paint and clean front will make for a pleasant visit.	10/3/2022 11:30 AM
15	I don't really have a problem with the addition of bike paths, like the one recently expanded along River Rd., but is it really necessary to have so many signs along it? Is it really necessary to have so many stop signs, along with the signs that say "stop ahead". No bike rider is that stupid. We aren't moving 35mph and need a warning that a stop sign is 25ft ahead. I feel sorry for those residents.	10/3/2022 10:07 AM
16	How about improving the neighborhood roads such as Woodlea Rd and the roads off of US23 leading onto Woodlea Rd.	10/2/2022 7:11 PM
17	Most of the hotels in town are not favorable, but the Aspen Motor Inn needs to be held accountable for keeping the property clean and neat. They should have to remove old furniture, recliners, etc. It is an eyesore when driving by it, which in turn doesn't give a good impression for not only the property but the town as a whole. This isn't an issue that has just happened. It has been allowed to continue and fester, getting worse year after year.	10/2/2022 6:54 PM
18	Don't need anymore weed shops!!! Need to fill the vacant Kmart building with another discount store. Like a Target or a small footprint Meijers.	10/2/2022 3:24 PM
19	The blight is terrible. Oscoda has potential to become a vibrant, thriving community but we have a LONG way to go. Despite efforts (garden group, etc.), Oscoda comes across as a shabby, dead town with over priced grocery stores and lack of access to supplies an everyday family or single person would need. Thank you for seeking the input of our community and for working towards revitalization of Oscoda.	10/2/2022 11:59 AM
20	Breweries, Breweries, good coffee/bakery. Go spend a weekend in Tawas, Traverse City, Jackson Hole Wyoming, White Fish Montana. Walkability, trails paved and unpaved for hiking & mountain biking. Get the guy who owns the Boozery across from the park. He understands !	10/2/2022 10:04 AM
21	It seems we have a great resource in the airstrip at Wurtsmith. WE need a reason to use it as an airport, maybe casinos , golf tournaments , other organized events like snowmobile races , boat races , car shows.	10/1/2022 11:41 AM
22	bridge the school and downtown, get rid of the EIC director - he's a distraction and ineffective - how do you state you are hear to improve things and all you do is talk bad about community. Get the townships to put funds towards a more robust Chamber and activities, especially in winter, better broadband too - get some damn grants and get some stuff done in this town.	10/1/2022 11:11 AM
23	The hotel has now shot a hole in the resort area. Views will never be the same and parking could turn into a major issue with any event planned. The beach was the crown jewel of Oscoda but now it's future is in question. Although Furtaw Field seems to be the Holy Land to some people the fact is modern planning and zoning would not allow major events there due to lack of support facilities and parking. Perhaps a little more forward thinking would have been in order for the beach area. Building a hotel for the convenience of Kalata Air could have been located elsewhere within the area. Nonetheless I think that all involved feel they are doing the right thing, history will proof it. I have been coming to Oscoda since I was a teen and watched things come and go ,unfortunately mostly go. This is due to the lack of strong and visionary leadership. Look south to Tawas for further explanation.	10/1/2022 8:33 AM
24	Improve Furtaw Field into a nice gathering area for the RESIDENTS. Bring back our SENIOR CENTER with a gym so we can stop going to TAWAS. Clean up all the blight.	9/30/2022 8:26 PM
25	Sidewalk benches. Public toilets	9/30/2022 8:16 PM
26	We have owned our property for almost 30 years and have seen the improvements being made. Thank you for keeping this community viable. We love being in Oscoda when we are able to make it.	9/30/2022 7:49 PM

27	I like Oscoda the way it is.	9/30/2022 5:38 PM

29	tell employees not to give out legal advice or express their personal opinions in an official capacity on any matters that don't concern them, or they have expressed certified professional knowledge, training, education, or experience in. my example is , I was going to buy a property next to me, the current, out of town, owner was considering it at a certain price, and (he) called the assessor's office. He asked about possible property value increases if the rocket launch center comes to Oscoda. He was told, by someone in that office, that property values would definitely go way up if that happens. He then called me back and more than doubled the asking price for the property. When I asked him why he increased the price he told me how he called the office and was given that advice. That was approx 3 years ago. the lot still sits empty and an eyesore.	9/30/2022 2:37 PM
30	I think the community would see economic benefits from a well developed and linked pathway system for bikes and walking. Which includes way finding. I'd like to see the former base, lake, farmers market area, and downtown linked.	9/30/2022 2:07 PM
31	Keep Furtaw field as park	9/30/2022 11:22 AM
32	keep Furtaw Field as park	9/30/2022 10:25 AM
33	Na	9/30/2022 10:19 AM
34	Improvements need to be done on existing buildings. Upgrade parking.	9/30/2022 9:32 AM
35	I think city should remove Phragmites in 3 miles park area	9/30/2022 8:59 AM
36	Oscoda has an extremely complacent board, status quo, just get by, do it the same way we always have. IT MUST CHANGE! Much of this is due to the fact (even the new members are elected) they're either related to a previous member(s) lived in the area forever (no experience with other communities) or just don't have the smarts to get the job done.	9/30/2022 5:30 AM
37	Community center	9/29/2022 9:01 PM
38	Hate to say this, but there seems to be a need for a better grocery store and a big box store, such as a Walmart.	9/29/2022 6:25 PM
39	Totally agree that the vacant downtown properties need to be addressed - perhaps seasonal artwork (murals, etc) can cover their windows.	9/29/2022 2:53 PM
40	Hotel is a start to draw people in. You need to draw boutique shops/tourists shops. Women like to shop as going to the beach. Marina would be nice for people to stop at and eat etc. Need to market better as Oscoda has a lot to offer. golfing/beach/playgrounds/Music in the park.	9/29/2022 2:23 PM
41	Seems like that rocket idea was a pipe dream	9/29/2022 1:02 PM
42	Need a store like the old K mart	9/29/2022 12:28 PM
43	Can we please fix up Furtaw Field. Put in a gazebo in the center, a wide walking track that has nice lighting on the path around the outside. Many seniors can't walk the beach and would use it for exercise. Put in a public restroom and an ice rink in the wintertime. Plant some trees around the park and make the outside edge for parking. Let's see something great for the community there!!!	9/29/2022 8:05 AM
44	This doesn't apply to the shopping area. But our public toilets down at the beach are so not appealing and old. Compared to the Tawas ones they are out of date and need to be brought up to higher standards. We have a lot of locals and tourists who use this area and I feel they give us a black eye.	9/29/2022 6:14 AM
45	As a visitor I'm always thinking about pfos & pfas. I would love to see more visible info about what has been done, what is going to be done.. if anything. My grandfather built a house on woodlea. We all drank well water until the 90's I believe. Calm my nerves. Make visitors know what's good and bad. Put it out there	9/28/2022 10:26 PM
46	Improve shore fishing access. Also make the walk way to the end of the pier wider for fishing and pedestrian access.	9/28/2022 9:49 PM

47	A vibrant downtown would definitely bring me back. You don't need to reinvent the wheel though. Take a look at Cottonwood, AZ where I currently live. A downtown like that would bring me back to Oscoda.	9/28/2022 5:57 PM
48	Keep up the good work. Many in oscoda do not want change	9/28/2022 1:42 PM
49	NA	9/28/2022 9:41 AM
50	It would be great if perhaps a store like Meijer, TSC, or Blains would be interested in the old Kmart building.	9/28/2022 7:13 AM
51	Farmer's Market moved to Furtaw Park, with gazebo & also entertainment.	9/27/2022 9:19 PM
52	More restaurants with world cuisine, like Chinese, Mexican, Middle Eastern, Indian, Japanese etc. Businesses that attract families with fun entertainment all year long, like a modern family arcade with inside attractions and dining. Or A roller skating rink. Stores like Target, Big Lots, Aldi, Meijer AND local shops.	9/27/2022 8:45 PM
53	I would just like to see more diverse choices in downtown. Something for everyone. Events in winter at Furtaw field might draw some tourism.	9/27/2022 8:37 PM
54	Oscoda had a community center/gym and that was sold. It held a great event - builder show in the spring. I thought it was great way to get people out of their home. It just seems the board forgot about the people in this town and had a their own personal agenda that did not achieve a single thing. Board members mention recycling a few time, WHAT happened... I'm tired of seeing the DPW burning all the leaves and brush, which I find ironic since we are point fingers at the AF with the PFAS and PFOS .	9/27/2022 8:20 PM
55	Local fishing tournament, more events at Furtaw Field, boutiques, book stores, hobby shop, art gallery, coffee shop, bakery, florist.	9/27/2022 7:11 PM
56	More Direct Mailings to all of the property owners. Simply stuffing a flyer in the Tax Bill does not work. To truly get people interested a Mailer should go out once a quarter or start with twice a year or seasonally. Where I live, we get a Monthly Newsletter with all announcements for local issues, a "did you know" section, Information for local Schools, Adult Education classes, Sports classes (i.e., Tennis, Golf, Card, Financial, etc.) Local Business Ads help defray the costs.	9/27/2022 6:53 PM
57	Bigger grocery stores, bakery, meat markets and less party stores. Improving the quality of restaurants. Small boutique shops. Fill vacant buildings or get rid of them. This town has shown no investment like the town of Tawas. With all the rentals around there are no ammenities but ice cream and beer. This town could be so much better with progressive leadership and forward looking people.	9/27/2022 6:04 PM
58	Green spaces are extremely important as well as walkways within town and beach areas. No brick and mortar at Furtaw Field. Enhance the field with walkways, benches, flower gardens, etc. Relocate township offices, fire and police to old Kmart property. This area is still accessible and plenty of room for growth. Streets and roadways need to be improved, both in town and surrounding subs. Shoddy roads are a turnoff for residents and prospective businesses. We do not need apartment buildings. We do not need container housing. We do not need micro housing. We do not need more rental residential housing with landlords who do not keep properties maintained. We need residential single family homes with people who will make this area home, long term. Too many people move here with short term intentions. We need to incentivize developers to work with the abandoned buildings and vacant land existing within the town and quit letting them use areas where it is easier for them to develop but detrimental to the community. Many of us chose to live here because it is a quiet less robust community and making hurried improperly thought out decisions will undoubtedly have negative retributions that will be even harder to correct.	9/27/2022 3:11 PM
59	No	9/27/2022 2:38 PM
60	Encourage empty building owners to rent or sell their buildings instead of using them as a tax right off.	9/27/2022 1:27 PM
61	Please address lack of broadband internet in Sid Town.	9/27/2022 12:52 PM
62	Look at The Tawas business model and follow their lead.	9/27/2022 11:40 AM
63	I think the Hotel is a good start. Many communities enhance their downtown by using upper	9/27/2022 11:16 AM

levels space for residential living. I know we dont have too much of that but maybe some other way of providing some "good" spaces mixed with the business. Providing good and open dining in support of the hotel is very important. Too much to go into on this survey. I do think this survey is a great start.

64	Would love to see more small businesses but I don't think that's something the township can control. The township should be focusing on things that make it convenient/pleasant for tourists..for example we don't even keep garbage cans out, multiple full stretches of street lights not working, garbage pickup needs to be part of taxes so we don't have people with piled up garbage everywhere, address the blight on houses, stop focusing on selling green space and increasing housing as that's not the responsibility of a township. Put your energy into cleaning up the community, bringing events/etc and the people will come.	9/27/2022 10:28 AM
65	Oscoda needs to be careful to not overbuild where getting around is so cumbersome you don't bother. There needs to be balance so you don't mind driving around - the beach hotel is going to change traffic patterns significantly and should be considered as growth continues	9/27/2022 9:07 AM
66	Nothing that I can think of.	9/26/2022 9:32 PM
67	Leave Trtov Field the way it is	9/26/2022 9:01 PM
68	I'd hope to encourage or solicit new business that will be beneficial to the daily life of residents. Attracting fun and pretty stuff is good for our tourist revenue no doubt, and we need that too, just not only solely that. Let's not forget practical things that are benficial to the full time community. Year round retail/grocery/dining.	9/26/2022 8:48 PM
69	None	9/26/2022 7:59 PM
70	Would like to see more shops, restaurants, events with a common theme that Oscoda is known such as Paul Bunyan and Babe the Blue Ox or just a basic lumberjack theme.	9/26/2022 7:53 PM
71	Please add a walmart.	9/26/2022 7:46 PM
72	N/a	9/26/2022 5:16 PM
73	Tawas does good in their downtown and surrounding area. It would be nice to have more options with dining and shopping and think outside the box like a Gibraltar trade center idea. Small individual businesses under one roof.	9/26/2022 3:19 PM
74	None	9/26/2022 1:57 PM
75	More community events, specials at stores. Ex . Movie night at theatre, put in a Walmart or mejleres that covers all retail where Kmart used to be. Prime real-estate next to dairy queen. Face lifts to store fronts to make them more appealing. I would like to know more what's going on and how to be involved.	9/26/2022 11:52 AM
76	We need decent safe housing for low-income and homeless families and individuals	9/26/2022 10:56 AM
77	Parking is an issue in the summer. Quality and variety of restaurants is limited. At times the beach seems unclean. Empty buildings are an eyesore.	9/26/2022 10:45 AM
78	NA	9/26/2022 10:20 AM
79	Unfortunately downtown Oscoda is not set up for walk ability	9/26/2022 9:54 AM
80	None	9/26/2022 9:09 AM
81	Less dispensaries	9/26/2022 12:00 AM
82	Safer ways to cross US-23 other than River Rd. Make downtown more walkable, if I am on one block getting ice cream, it's a pain in the butt to even travel one block over other than going all the way around. Each street has its own them and style vs the entire downtown having a cohesive them. And please turn Furtaw field into an actual "park" with public restooms that people driving down 23 would actually want to stop at and explore our town.	9/25/2022 6:55 PM

85	Why can't you agree to do something nice with Furtaw Field. I saw some plans in the paper but all we got was a flea market and goose toilet, that was very disappointing	9/25/2022 6:49 PM
86	I love it just the way it is.	9/25/2022 5:38 PM
87	More events designed for children	9/25/2022 4:57 PM
88	Parking on side streets is sufficient. Economic development should focus on buying 'local' vs big-box stores (Walmart). Food trucks continue to grow in popularity and sb encouraged.	9/25/2022 4:44 PM
89	Downtown is a joke ,if you want to do something . Go west everywhere you can.	9/25/2022 3:52 PM
90	just more shops downtown	9/25/2022 3:35 PM
91	It was a huge mistake to put the Hotel in the spot it's going. You have ruined that area for the area people and for local beach goers. Selling Furtaw field would be a big mistake. That is the perfect place to hold outdoor craft shows and other events such as Paul Bunyan days. Everytime I drive through Oscoda, I admire that area. Some public bathrooms would be a nice addition there. Some benches would be nice, also.	9/25/2022 3:31 PM
92	maybe a small Menards in the old K-Mart	9/25/2022 2:30 PM
93	Would love to see Oscoda come back to a fun town with lots of fun shops such as bakeries, good food, art galleries, retail shops ("lake themed"...Live music events	9/25/2022 2:14 PM
94	You want people to come to Oscoda then have medical care available. Urgent care is essential. Plus new medical facilities does not have adequate parking.	9/25/2022 2:10 PM
95	Do not build anything on Furtaw field. There are plenty of vacant buildings in Oscoda. Green space/parks are important to a thriving community.	9/25/2022 1:26 PM
96	Oscoda area is pathetic and an embarrassment for visitors. Oscoda did NOTHING after the base closed to keep the town going. What happened is obvious to see. When they decided to do something a ridiculous pier was constructed, wow what a joke	9/25/2022 1:24 PM
97	Excited for the hotel to be built! Food vendors during the summer in that area would be perfect!	9/25/2022 1:11 PM
98	Need to get rid of the blight and empty buildings.	9/25/2022 12:15 PM
99	I may have an interest in a downtown business in the coming year/s. Just moved to Oscoda from Rochester. Would like to see a Blight Manager at work to keep the visual affect of a vacant building improved or demolished if it has not immediate use. Peter Verbruggen email: verbrupe@gmail.com Thank you!	9/25/2022 12:08 PM
100	We are missing a K-Mart style multipurpose store to purchase a variety of items at one stop.	9/25/2022 11:24 AM
101	Answered above	9/25/2022 11:05 AM
102	It seems that there are far too many people in decision making positions that are not forward-thinking and choose to keep things in the past - some of the blight in the area could most certainly be addressed.	9/25/2022 9:47 AM
103	We still need a community center. A store like Meijers or Walmart would be great.	9/25/2022 8:13 AM
104	keep trying.....so much to offer in this area ... would be great to see Oscoda "hop" like Tawas does.....	9/24/2022 9:05 PM
105	Township should do more to encourage all kinds of businesses and events even if it involves change for the community.	9/24/2022 8:19 PM
106	It's time to get a downtown development group that is proactive! Nothing has been done to improve Oscoda in years! Putting the Holiday Inn right on the beach is going to ruin one of the best things Oscoda has going for it - the beach! Furtaw field is prime property just going to waste!	9/24/2022 7:30 PM
107	None	9/24/2022 5:52 PM

108	1) Maintain Furtaw Field as is. Or develop more recreational opportunities there. E.g., dog park, children's playground, picnic pavilion, rest rooms, ... 2) Return the upper part of the Township Park to us residents. Get rid of the Holiday Inn. 3) Do your hotels or condos out by the airfield.	9/24/2022 4:54 PM
109	The Kava Sunrise Cafe is a great addition to Oscoda. We need more outdoor dining, snack, coffee spots like this.	9/24/2022 4:06 PM
110	Sporting goods. Specialty shops. better parking. Additional outdoor benches. Walkability to stores..over together.	9/24/2022 3:14 PM
111	I just recently moved to Oscoda and I love it here it would really be nice to have a clothing store. Festivals are always a good family oriented outing.	9/24/2022 2:21 PM
112	Take a look around Tawas area and learn a few things to bring businesses to empty Oscoda buildings. Lower property taxes to attract more people.	9/24/2022 2:15 PM
113	A more attractive revamp of the buildings. New interesting gift shops. Some new good restaurants.	9/24/2022 1:44 PM
114	It would be great to have stores that were fun to shop and restaurants nearby for both tourists and residents year round. We desperately need retail shops for clothing and shoes.	9/24/2022 9:43 AM
115	Movie theater better sound quality, buffet style restaurant, Indian restaurant, horseshoe pits	9/24/2022 8:30 AM
116	Oscoda should spend more time to acquire different types of business to locate to Oscoda (not vehicle repair). More stores and activities that cater to walking patrons (outdoor dining and shopping).	9/23/2022 7:36 PM
117	As of 9/11/22, I have moved down state and my condo is pending sale.	9/23/2022 7:08 PM
118	active stores and interesting shops such as crafts and quilting.	9/23/2022 5:09 PM
119	Why is farmer's market on work days	9/23/2022 3:23 PM
120	Shoes store, clothing, health food, music, flooring, ethnic restaurants, bakery.	9/23/2022 2:17 PM
121	Get rid of empty and run down buildings	9/23/2022 1:38 PM
122	Combine AuSable and Oscoda townships. We already share the school, the police, fire department, water dept, library, all the parks and beaches. We would save a lot of money that could be spent on improving the downtown. I have heard estimates of \$500,000.00 a year.	9/23/2022 1:29 PM
123	YOUR ON THE RIGHT TRACK...WE NEED SPACE ROCKETS...	9/23/2022 12:23 PM
124	I agree we need to fill vacant buildings. It does nothing to beautify the area. We could use a vet clinic and a dry cleaner. It would benefit Oscoda to lure a big box store to the community. There response may be low population but keep in mind it would draw people from Lincoln, Mikado, Harrisville, Greenbush, Oscoda and the Tawas's.	9/23/2022 12:04 PM
125	Businesses that produce locally made goods and foods. Pinconning has cheeses you can ship, Frankfort has charter fishing and the Cherry Hut Restaurant. Word of mouth advertising is priceless	9/23/2022 11:20 AM
126	I think the township should be focusing on keeping all the green space we have left (Huron National Forest is not downtown green space as mentioned before by someone on the board) because if we want to have events/festivals to attract people to our downtown we need to have the space to do so.	9/23/2022 10:25 AM
127	I would like to see a safe bike path north out of town. The conditions are unsafe as they are. Curbs do not even have slopes to allow a bike rider to stay on the sidewalk.	9/23/2022 10:00 AM
128	I would be interested in helping to plan local events and learning about the history of how things came to be.	9/23/2022 8:40 AM
129	People that live on Lake VanEtan should not have to pay to launch their boats. We pay enough taxes!	9/23/2022 8:39 AM
130	I offer no solutions to the Downtown challenge. Traffic and parking present problems. Huge chuckhole in alley behind Taits and many other parking areas need maintenance.	9/23/2022 8:09 AM

131	Forgot to list... Wider variety of restaurant choices. Eg. Mexican, Indian,	9/22/2022 7:13 PM
132	Like the pop up retail idea Hard to say otherwise - Oscoda/Lake Huron beaches are so amazing we spend most of our time there	9/22/2022 6:58 PM
133	More restaurants, a bagel shop would be great! More doctors offices and diagnostic offices ie lab, radiology. Better cell phone reception (more towers or updated towers).	9/22/2022 6:04 PM
134	A reenactment of the 1911 fire would fix the blight problem in downtown.	9/22/2022 5:40 PM
135	I think it's a shame that professional buildings have taken over main street and are not friendly to shopping. The empty buildings are an eyesore and make our town look less successful. There is not much for tourists to enjoy. Also, Furtaw Field should be left alone--why fool around with that when there is so many other properties that can be utilized. The idea is to re-use what is available, not chop up a beautiful park that will not add anything useful to our town.	9/22/2022 4:47 PM
136	I think the more development that gets done to the downtown area the more people Oscoda will attract which will be better for Oscoda as a whole.	9/22/2022 3:38 PM
137	Aldi's, Trader Joe, or Meijer stores. Healthier choices for groceries.	9/22/2022 3:11 PM
138	lower gas prices	9/22/2022 3:09 PM
139	This town only cares about who has money and the cops are drug dealer just look in to why Qubic was let go and you all have things to say about my daughter fuck this town	9/22/2022 2:48 PM
140	woodlea road resurfaced.. its been many many many years.	9/22/2022 2:21 PM
141	We need a new road from the airport (Villages of Oscoda neighborhood) to River Road between the railroad tracks and the high school.	9/22/2022 1:35 PM
142	More parks, festivals, something needs to be done with the mold-stinking school on River Rd. Code enforcement needs to take a look at the abandoned homes on River Rd (scenic by-way) grass is overgrown-animal infested- garbage and junk litters structures. There should be a law as to how long Any building-structure is to be vacant and abandoned. This would definitely make our town look better	9/22/2022 12:21 PM
143	Arcade? I need to check out bowling here	9/22/2022 12:03 PM
144	We love being in Oscoda for many months during the year. We would love to see downtown be further developed so that we can feel that the downtown is a part of our experience there.	9/22/2022 10:25 AM
145	Oscoda seems to be a sleepy community whereas Tawas seems to be much more vibrant. It brings in more shopping and better restaurants. Hopefully Oscoda can wake up	9/22/2022 10:15 AM
146	It has to be cleaned up, modernized, and consistent. When something new comes in we can't just let them do whatever they want. There has to be guidelines to keep things consistent. Since it is so poor, why not go for the modern city on the Sunrise Side, it would be different than any other, and put it on its own setting. I know the older generation may not like that, but it sets it apart. You can't compete against Tawas so why try? Oscoda needs to establish its own identity and stick with it. If it is art, then go for it, everywhere and stick with it. If it is outdoors, do it 100% and stick with it. You have a big opportunity with Furtaw field, condos and apartments is NOT the answer. Look at downtown Frankenmuth, millions of people go there just to walk around and have a meal. Nothing like that in Oscoda, That is a great place to build a street that is walking, biking only, with restaurants, shops on both sides. Heated sidewalks etc. for winter. Loft living spaces on top. This now says to everyone driving through, Stop, check this out, then it is up to Oscoda to capture folks when stopped to check out and explore.	9/22/2022 9:59 AM
147	Don't have the answers but East Tawas has a more thriving downtown area..... I think the new medical building downtown missed an opportunity to really enhance the downtown area. Although the facade does have various types of brick/stone work, it still looks very sterile when it could have been designed with more character.....set back a bit and the face of the building....with more "relief" versus a "flat" vertical wall.	9/22/2022 8:08 AM
148	More kid friendly annual events, community center	9/22/2022 4:00 AM
149	Is there going to be recycling available in the township? I'd like to know where township public parking is located.	9/21/2022 9:12 PM

150	Liked the craft fair on the beach	9/21/2022 8:35 PM
151	Would like to see the downtown beach park patrolled better, loitering and loud music doesn't provide a family atmosphere	9/21/2022 8:02 PM
152	Need way more public service on the outskirts of Oscoda township! NO CABLE NO FIBER OPTICS SKETCHY EMERGENCY SERVICES THE EMERGENCY CREWS CANT FIND HOUSES VIA SATELLITE	9/21/2022 7:27 PM
153	Of course, I would like to see more use made of Furtaw Field. Movie nights, flea markets, more flying, anything outdoors.	9/21/2022 6:56 PM
154	Agreed that the empty buildings should be a priority.	9/21/2022 6:29 PM
155	We are relatively new to the area (from the Grand Rapids area) There are NO wineries for miles (to my knowledge). This seems to be a largely untapped market especially since it's a great vacation spot. It would be nice if there was an orchard to visit, a year round fresh farmers market type of store. Menards would be a good fit in the old Kmart bldg too.	9/21/2022 6:29 PM
156	Restore 1940-50s trailer park	9/21/2022 6:04 PM
157	Can always tell who lives in Oscoda. No hub caps on junky vehicles. No money, , Uneducated people. As long as they have smokes, beer and lottery tickets and weed they are happy why change.	9/21/2022 5:45 PM
158	Longer Bath House Hours at the beach. More cashless vending machines around town. Bike rental companies. Street closures for thematic festivals. Thanks!	9/21/2022 4:32 PM
159	Thank you for doing this survey. This is awesome. I would like to make sure that short term rentals are protected. I have a guide that I give my guests of local businesses to try. Almost all our guests eat out at least once during their stay and some of them every meal. A lot of my guests really like the downtown experience of Tawas with the gift shops and nice restaurants on one street. I do love the area and would love to invest more money into the area in the future.	9/21/2022 3:46 PM
160	Be more aggressive in marketing more development comparable to Tawas City.	9/21/2022 3:37 PM
161	Na	9/21/2022 3:32 PM
162	We need more shopping stores that are cheaper more competition lotta the stores appear should be ashamed to charge the prices that they charge for groceries	9/21/2022 3:12 PM
163	I think there is plenty of housing downtown. Varied shopping is the biggest need from my perspective. I think the Alcona clinic has improved foot traffic. I think it's important to maintain and increase public events such as Paul Bunyan and Art on the Beach. Tawas has blues - could we get jazz?	9/21/2022 3:03 PM
164	Looking forward to the Holiday Inn Express! That will make a big difference in our downtown area. I liked the original plan for Furtaw Field with park areas and pathways as had been displayed in the Township Hall. Public restrooms would be nice to have for people enjoying the outdoors. Would like to see the downtown area (as proposed near the theater, the Office, and Tait's) closed to traffic, for people to stroll safely with their drinks. Provide comfortable outdoor seating and eating areas to be used for short periods of time. If people come, stores will be opened.	9/21/2022 2:52 PM
165	Love this little town and so enjoyed living there when we were in the Air Force. That is why we still have property there. But in our advancing years, we would love to sell the lot we own as we have retired to a lake in TN. Seems land values haven't increased much in the last over 40 years. I'm surprised by this.	9/21/2022 2:52 PM
166	Infrastructure. Place an auto-traffic bridge where the old railway bridge used to be so there is another means of getting from the north to the south of town/south to north ... instead of only U.S. 23.	9/21/2022 2:31 PM
167	I am not a favor of all the marijuana shops in the downtown area. Eventually the market will be over saturated and once again buildings will be empty.	9/21/2022 1:34 PM
168	HARDWARE STORES NEED TO HAVE LONGER HOURS ESPECIALLY ON WEEKENDS. BREAKFAST TIMES NEED TO BE EXPANDED. BETTER PROMOTING OF AREA BY LOCAL AND STATE REPRESENTATIVES.	9/21/2022 1:02 PM

169	Furrow field as a community park with playground walking path with exercise stops	9/21/2022 12:51 PM
170	Downtown parking is a joke. Prime land was used for a medical facility which just added to the problem. Not a friendly downtown atmosphere to walk and browse quaint shops, like bookstores, antique shops, boutiques, jewelry stores, etc. Tawas seems to be a much friendly downtown experience for such. Being a tourist town, we need places for browsing.	9/21/2022 12:21 PM
171	Love seeing new hotel going in! I'm a full time resident but we need to make our town more tourists friendly to bring in growth and revenue, just look at Tawas! More public events like fishing tournaments, ATV/Snowmobile/Golf Cart town access.	9/21/2022 12:08 PM
172	A lot of the buildings in Oscoda could use a lot of attention to their appearance.	9/21/2022 11:59 AM
173	Hate the holiday inn idea. Keep Oscoda scenic and quiet	9/21/2022 11:57 AM
174	Keep movie theater going. Community garden in summer. Bike trail.	9/21/2022 11:55 AM
175	No	9/21/2022 11:45 AM
176	O	9/21/2022 11:40 AM
177	No comment	9/21/2022 11:02 AM
178	The town has been going downhill. While other local towns are expanding and changing with the times, Oscoda seems to be slowly degrading. In situations like this. It's usually the local leadership and their closed mindedness that's driving people away. My family has had ties to the area for over 60 years and this is the worst I have ever seen it.	9/21/2022 9:55 AM
179	I would like to see incentives, tax breaks etc for vacant building owners to make use of their prime potential buildings by sprucing buildings up, reducing rent for potential businesses or other creative measure. I DID NOT know that vacant building were the TOP priority on previous survey as the results were not made available in a timely fashion. Furtaw Field and Township offices were both hot topics and remain such.	9/21/2022 9:30 AM
180	Gypsy moth control outside of town is PARAMOUNT to the weekenders and full time residents, especially on Bissonette Rd. Makes coming up there to frequent the businesses impossible!	9/21/2022 8:47 AM
181	People need an area where everything comes together. Example Newman Street in Tawas. It is a great area to walk around and shop. We don't have that in Oscoda.	9/21/2022 8:43 AM
182	N/A	9/21/2022 8:36 AM
183	I am very pleased when calling Oscoda water or other departments always get a person and questions answered. We recently donated a park bench to the bike path on river rd. Kelly Graham in AuSable twp. very helpful and should be complimented.	9/21/2022 8:13 AM
184	Flying cars and Gyroplane exhibits	9/21/2022 8:11 AM
185	Would love to see more retail and nicer restaurants rather than insurance offices and medical buildings in our downtown.	9/21/2022 7:01 AM
186	Not sure	9/21/2022 6:44 AM
187	Can't wait until the holiday inn is completed. More foot traffic downtown will lead to further investment and Oscoda should see increased travel to the area due to the fabulous location of the hotel with a view of Lake Huron. Finally, some Board of Trustee members have a vision.	9/20/2022 11:55 PM
188	Improved beach park amenities, continue beachside concerts and movies, family friendly restaurants, variety of retail	9/20/2022 11:06 PM
189	If there were more medical doctors and facilities available in Oscoda, I just might move there. I have been retired for 21 years but don't dare move where I cannot receive or get the treatment I might require, including care for my heart.	9/20/2022 10:28 PM
190	None	9/20/2022 10:27 PM
191	Downtown Oscoda does not have a quaint/cute appeal as you drive thru on hwy 23. The large amount of vacant properties on this stretch are not helping. Knowing the difficulty in leveling these properties, maybe just some flowers/decorations/paint etc would help. The HS senior banners are a proud display and the summer flower pots are attractive.	9/20/2022 9:40 PM

192	covered in previous comments	9/20/2022 9:28 PM
193	For winter, a Christmas market on the weekends could be unique to the area. Having and ice sculpting event would be fun and a draw to the downtown area. Turn a building into a brewery with games such as cornhole, pool, etc.	9/20/2022 9:23 PM
194	There would have to be employees for anything here to happen. Already all restaurants are closed part time because of lack of employees!	9/20/2022 8:59 PM
195	A gym with indoor pickle ball and swimming could be very useful to the 50+ community.	9/20/2022 8:20 PM
196	Downtown oscoda is purely focused at tourist, bars, and pot shops. For those who live here all year, we have nothing. Family and kid friendly events are poorly done or not at all. And gas prices and groceries are outrageous here. Our town needs an actual store such as a Meijer or Walmart to give everyone what they need year around in one stop shop.	9/20/2022 8:20 PM
197	Would like to see city water extended up Loud Drive due to water quality	9/20/2022 7:37 PM
198	It's ashame there's not a downtown area where you don't have to cross a highway	9/20/2022 7:08 PM
199	Utilize existing buildings Attract more restaurants Need more industry to attract more people Hope the hotel works out. Not a fan of putting it there. Lots of other options available.	9/20/2022 7:07 PM
200	Do not sell or commercialize Furtaw Field. This could be developed into a very nice nature trail/exercise trail or a similar type of park for more residents and vacationers to enjoy. Or perhaps a food vending situation, either outdoors or perhaps even better indoors in one of the vacant buildings where several local vendors could provide something like an Oscoda Food Court for simple foods. There just are not enough dining options in Oscoda year around.	9/20/2022 7:03 PM
201	All set	9/20/2022 6:54 PM
202	Empty Buildings Painting the empty buildings windows at least.	9/20/2022 6:35 PM
203	we do really need to do something about the empty buildings.	9/20/2022 6:31 PM
204	Fill the vacant buildings	9/20/2022 6:31 PM
205	Any	9/20/2022 6:28 PM
206	Businesses should maintain & beautiful their own buildings. Music & Art events. No more buildings along lakefront!!!!!! Work with what we have!!	9/20/2022 6:25 PM
207	Doing well	9/20/2022 5:32 PM
208	Would like to see more gift shops like tawas	9/20/2022 5:07 PM
209	Maintain the area around vacant buildings. Stop construction on the Holiday Inn	9/20/2022 4:47 PM
210	maybe a concert in the park would be cool -- just don't want to turn our city into a huge tourist trap like Tawas -- they can keep that mess	9/20/2022 4:45 PM
211	More festival style events, especially in the summer months. I am a lap swimmer, would love to have the pool open more. Especially in the mornings during the summer.	9/20/2022 4:37 PM
212	I believe we have enough of arts and crafts, gift shops, auto repair, we need something different.	9/20/2022 4:33 PM
213	Keep Furtaw Field for events like Paul Bunyan Festival that draw people to town! It would also embellish mainstreet for people to have somewhere else to go to! Now that you gave away beachfront property that the township could've used as a addition to our beachfront!! A waterpark in addition to our beautiful shoreline. That's a draw Tawas doesn't have.	9/20/2022 4:27 PM
214	More Arts & Crafts events downtown in summer and Fall. Decorations Flowers I	9/20/2022 4:26 PM
215	Renaissance fairs, things for kids to do such as skating/ice skating, trampoline park, restaurants that are inviting,	9/20/2022 4:22 PM
216	Please be progressive, Our Town has huge potential with the water front and the Interstate.	9/20/2022 3:33 PM
217	I feel the holiday inn will bring much needed traffic to the downtown area and help bring new businesses to downtown	9/20/2022 3:28 PM

218	Convert old Kmart to city hall	9/20/2022 3:09 PM
219	..	9/20/2022 2:41 PM
220	Na	9/20/2022 2:19 PM
221	No more chain hotels - the current construction will have serious negative impact on the public beach conditions- also the playground at the public beach needs serious attention- bee nests found by our family 2x last summer... the slide is dangerous due to the framework sticking above ground as a major tripping hazard for children. Garbage cans overflowing at the beach, nit emptied often enough. There is also a Lack of attention to supporting local ordinances.	9/20/2022 2:10 PM
222	I am not sure if Oscoda has a Downtown Development Authority. If they don't, maybe one should be formed. Oscoda needs to develop its downtown to be like Tawas. Maybe grants can be given to individuals to start businesses. Also, my observation from social media is that the township board could be more transparent. I also believe I read that they were thinking of building new township offices. If expansion is needed, why doesn't the township utilize some of the vacant buildings to expand. I think renovation is much cheaper than building a new structure. Not all the township departments have to be in one building.	9/20/2022 2:07 PM
223	Be the first at whatever is next. Give folks a reason to NOT choose Tawas.	9/20/2022 1:36 PM
224	Improve Furtaw Field...make it a destination. Give children/teens things to do. Country music event.	9/20/2022 1:22 PM
225	There is no place to lock up my \$450 bicycle. Why aren't there any bike racks? Family Home Video had one. KMart had one. The township office has one buried in the weeds behind the building - that's useless. Auto parking is only marginally better than the bike parking.	9/20/2022 1:08 PM
226	Empty buildings, no shopping, constant ordering online or Going to Alpena	9/20/2022 1:03 PM
227	Am rankled that the board lost money on the sale of beach area to hotel	9/20/2022 1:03 PM
228	You really screwed up selling lakefront land to a hotel that is likely to close-up, bankrupt. That land should have been used for a new community center, fire department, police station. Since the former Dollar General is now vacant, it could be transformed into a police station.	9/20/2022 12:52 PM
229	We have no problem with development of Furtaw Field.	9/20/2022 12:31 PM
230	Make the empty store fronts more attractive ie the place across from furtaw field is full of junk	9/20/2022 12:20 PM
231	I think hosting a fun run/walk to raise money to build tennis courts in the beach park area	9/20/2022 12:19 PM
232	We need more shopping & outdoor eaterys	9/20/2022 12:17 PM
233	Save Furtaw Field and add a walking path with flower gardens, trees, shrubs and benches along the perimeter.	9/20/2022 12:16 PM
234	Tear down the blight and keep this community as a retirement community. If I wanted Traverse City I would move there. Taxes are too high and wasteful spending on art and contractors has to end	9/20/2022 12:11 PM
235	Let the free market take care of business. The township needs to focus on infrastructure, for example, fix the drain in the parking lot behind the office lounge and fix and resurface the highly traveled alley behind Tait's.	9/20/2022 12:09 PM
236	We need housing. It doesn't have to be downtown but housing anywhere local is a huge need.	9/20/2022 12:04 PM
237	I would terminate the contract with Mr. Dickerson and invest his salary in local improvements. His actions in board meetings and social media are offensive.	9/20/2022 11:53 AM
238	Improve roads with blacktop, not gravel, if you own a home on a paved road it should stay paved, that's why a lot of people buy on paved roads, it's cleaner and not as much upkeep.	9/20/2022 11:43 AM
239	tear down the elementary school	9/20/2022 11:39 AM
240	Grants and training available available for those who wish to open new businesses in the vacant buildings.	9/20/2022 11:33 AM
241	Well, you didn't listen to us last time... so, why are we doing this again? Oh, Keep doing it over and over until you get the results YOU want? Let's start with, when you change a property disposition or governing Ordinance you announce it at a Board Meeting and give it 3 weeks for	9/20/2022 11:17 AM

the Public to weigh in. None of this mumbo jumbo, switcheroo business at the same meeting. Pretty sure it is illegal.

242	Bring back the DDA, WHICH WAS RESPONSIBLE FOR MOST EVERYTHING THATS BEEN DONE THE LAST 20 YEARS. leave Furtaw Field alone, with the other empty spaces, plus the empty buildings we certainly don't need to get rid of a green space that is our own activity center. We have tried activities in other places and the results were worse than awful.	9/20/2022 11:11 AM
243	would like to see a department store move in to the old Kmart building	9/20/2022 11:09 AM
244	Please let outside businesses into our town. People shouldn't be afraid of change and expansion, our town could use some more quality residents.	9/20/2022 11:07 AM
245	This doesn't necessarily relate to downtown improvements, but I feel like the township offices really dont care about seasonal homeowners and only cater to the locals and as a result of no code enforcement things look like a slum in many parts of Oscoda. Example... to drive to my cottage I have to drive down Woodlawn Dr (at the corner of Loud Dr.) The south west corner is a small residential cottage with a pole barn that is owned by Rick Flowers (Mr. Heat). Since he has owned it he has a big ugly dumpster outside that is filled with old junk furnaces, air conditioners etc. that have obviously been removed from his customers homes. I have been in the township hall twice to complain & ask how this commercial eye sore can be allowed on residential property. The response both times from the girl at the desk has been we have a new part time person in this department (zoning / code enforcement?) and we'll look into it. 2 years later nothing has changed. At that same intersection but on the north west side of the road The residents there seem to be running a junk yard. There is an abandoned 22 foot boat with no trailer sitting in the yard. The boat originally had a trailer, but aonly the trailer was sold, so rather than dispose of the boat properly they just pulled the boat off the trailer in the middle of the yard. Does this create an environmental hazard? Gas & Oil? This brings down property value in the area not to mention the fact that it is embarrassing to have family and guests have to drive past that when coming in for a lake weekend. I don't know if these surveys even get read, and if they do I doubt if anyone will look into this Woodlawn / Loud Dr. intersection, but I bet if a Township supervisor or official lived on Van Ettan lake and had to travel past these eyesores this problem would probably be resolved. If the township offices really cared about the community and lakefront property owners that pay high property taxes they would follow up on these types of issues.	9/20/2022 11:00 AM

252	Please choose wisely when determining plan for Furtaw Field. Improving it but maintaining green space is ideal. There is no need for housing at that location. This would not improve the aesthetic of the downtown area and would not attract visitors	9/20/2022 9:42 AM

corner into Oscoda you see the most ugly '70s looking buildings with signage still up, looks sad

259	Two things: 1. Not allowing extended/lighted business signage (away from the building) seems counter productive if you really want to attract new businesses and fill vacant retail space. 2 My understanding is that the new craft brewery (in the old big boy) was not supported. If you want to attract young working individuals that would have been a good place to start	9/20/2022 9:07 AM
260	We shopped at KMart all the time and would love to have something similar around. A good book store. I was so embarrassed not to have any shopping available when visitors here this summer. They wanted to shop and there was nothing!	9/20/2022 9:04 AM

263	We need to let everyone know about are great beaches and facilities that Oscoda provides	9/20/2022 8:29 AM
264	I frequently hear people want to attract more shopping, to our area. The tide has turned. Many, many shop on line. Another item over looked is our lack of large land parcels for commerical development. As an example, if we tried to attract Walmart, there aren't any parcels big enough to accomidate their operation. Walmart will not normally move into a closed Kmart location.	9/20/2022 8:21 AM
265	Oscoda does an excellent job of drawing people downtown during the summer months. Movie and Concerts on the beach, the 4th of July celebration, etc. I would love to see the more food trucks at the beach and the bathrooms staying open later on weekends and holidays. Creating opportunities for the other seasons would be nice. The new theater owner is doing some great things by showing classic movies. Perhaps a partnership between the theater and restaurants to create affordable "Date Night" or "Movie Night" packages, dinner, a movie and perhaps drinks or dessert after the movie could drive people to two or three downtown establishments on weekends. The coffee shop does an incredible business but is busting at the seams. A specialty business that offered allergy friendly dining options would be a huge asset for families that deal with life threatening allergies as there are not many resources in Oscoda to deal with this. I have often thought that a business communication center would be an asset to Oscoda. Something downtown that offered business services for those traveling/visiting the area. Pay per use (a block of time, daily/weekly rates) that offered desk space, use of a printer, possibly a fax machine, meeting spaces. The new Holiday Inn will offer this service for their travelers but there are many others with cottages and vacation homes in the area that need a quiet desk to work at while visiting. The Parks Library is a huge asset, but I miss having the library downtown. A family centered Community Center would be another asset to downtown. The caveat would be that it must offer affordable rates for the area. The prior Community Center was extremely overpriced and not within reach financially for most area households. We will always have empty buildings in the downtown block as long as we have a lack of easy access parking. The state's decision to remove on street parking along 23 was a death sentence for our downtown area. I personally am not going to walk even a half a block to reach a store that I may spend only a minute or two inside of. The buildings that are consistently empty have two problems - a lack of quick, easy parking and maintenance issues. I don't know an answer for this.	9/20/2022 8:10 AM

many times as to when we will have water run and get different answers every time. On a positive note you have some beautiful parks that I feel could be expanded on.

291	The abandoned buildings are eyesores. It would be good if the owners were made to beautify them or generally clean them up even remain vacant.	9/19/2022 7:27 PM
292	I would like to see more retailers. I have to go to Alpena or Saginaw if I need to shop. Oscoda has pot shops, many liquor stores and bars and 5 gas stations do we need all of them. No place to shop	9/19/2022 7:25 PM

309	Landlords need to invest in their real estate, updating facades, reducing rental rates. Vacancy rates should be of utmost priority.	9/19/2022 6:13 PM
310	Very disappointed that the vacant Kmart building wasn't repurposed for the Alcona Medical Center (maybe there was a specific reason, I don't know). Seemed to be plenty of room for Dr. offices and especially plenty of safe parking space. We need more things to do for the young people. I enjoyed the roller rink when I was in school and Ice skating at the rink in Furtaw field during the winter. Also would be nice to consider turning Furtaw field into a beautiful park with a water fountain that has a different color water show at night, and beautiful flower displays, in the summer and winter wonderland in the winter. winding sidewalks throughout with benches to sit and enjoy the sights. Maybe the Kmart store could be repurposed into a roller rink And there could be a food court in there as well. The bike path from Cedar Lake road to the Base should be taken care of, such as brushing off the stones and sand and it should be re-seal coated. Thank you for the opportunity to express our concerns.	9/19/2022 6:06 PM

313	Furtaw Field....make it into a community park and activity center, with a fountain, restrooms and lounging area. Apartments would ruin the area and the type of people and vehicles would not be a positive move for our downtown tourist region!!!	9/19/2022 5:39 PM

324	Not interested but they are a big eyesore if the building's are empty why would anyone stop I personally would like to see more past just a couple blocks from Town. We have a long 23 road to make the whole great with so much empty space and empty buildings let's stop worrying about a couple blocks and try to make all the way threw Town great!	9/19/2022 4:59 PM

326	We really enjoy the Oscoda Beach Park and love the pier.	9/19/2022 4:54 PM
327	Something has to be done with the old high school while it can still be rehabilitated. Options could be conversion to apartments, a boutique hotel, just anything. Provide incentives to redevelop existing lots and structures. Much of State St is an eyesore.	9/19/2022 4:48 PM

335	Community center- invest in a nice covered Pickleball place (4-6 courts) NOT interested in the proposed 2 courts at the park! Maybe on the base. Come on Oscoda, other communities are investing in this. It can NOT be by houses because of noise complaints. Maybe more coffee	9/19/2022 4:22 PM

341	I would like to see Furtaw Field used for sporting events, fairs, pop up retail and general use by the public, all year long. Not for commercial use or township hall. Enhance Furtaw and add public amenities, do something nice for the people.	9/19/2022 4:05 PM
342	No	9/19/2022 3:58 PM
343	Putting the Holiday Inn is a start. It seems like this town does not want to thrive. Everything is turned down I bet Tawas city does not do that. This is the cause when the base was closed years ago. start taking chances and stop disapproving everything. Who ever thought art was the answer is only appealing to a small minority.	9/19/2022 3:46 PM
344	Would not invest in any downtown buildings until the town proves it can support what is already here.	9/19/2022 3:44 PM
345	We like the small hometown feel of Oscoda. Loosing the K-Mart was sad however. Curious that nothing significant went in the location.	9/19/2022 3:43 PM
346	I would also like the blight issue in the Foote Site Village addressed. Also a suggestion would be to convert the school building next to the Oscoda Hardware to an Apartment Building.	9/19/2022 3:43 PM
347	It would be nice to have the entire downtown area modernized... it looks shabby and has a poor image for oscoda. Take a page from East Tawas. Their Newman street is inviting and shows well to residents as well as tourists. It seems like they always have a weekly event to attract the public to spend money at their businesses.	9/19/2022 3:35 PM
348	Please do not make Furtaw Field a housing area...we do not have enough public areas for events. Do not take any of the public beach areas for other purposes. No campgrounds in town please. Leave the fire and police where they are and consider moving other Township services to areas away from downtown. Do not forget businesses outside the "designated downtown"...they need your support too including facade grants and advertising.	9/19/2022 3:31 PM
349	Very simple and the OTB has the power to engage it. Ninety day notice. Clean it up, sell, or a 10.000 fine with a lien against the property. Works quite well downstate. Nothing will happen with the BLIGHT until the board takes control of it. This township has been a pass through for decades. Do nothing, nothing happens. Mr Dickerson has had three years to address this problem and bring in reputable business. Instead we get a future refugee center dropped down on our main attraction, the beach. Obviously no research done on the new owner. No bidding. Give away price. Read the writing on the wall and LISTEN to those that pay the taxes in this township, seasonal or permanent residents. They are the heart of this township. When there are very evident problems that have existed for decades, build from the foundation up. Camouflaging with cheap ART will only prolong it.	9/19/2022 3:28 PM
350	Fix the dam side streets	9/19/2022 3:27 PM
351	the garden club is doing great work in beautifing Oscoda, Keep up the great work. Would like to see the senior center move to main st like in Lincoln and become more active.	9/19/2022 3:25 PM

353	More dining more shopping.... Otherwise we go to Tawas a lot.	9/19/2022 3:10 PM
354	I would love a Home Depot and Walmart store. I miss kMart. Wine tasting/ winery store . Put put golf	9/19/2022 2:50 PM
355	Need ways to entice businesses to occupy all those vacant businesses. I do not know how much rents are or what types of businesses would be interested, but if they can't be used, then they need to be raised for open spaces or building housing on.	9/19/2022 2:34 PM

356	The township needs to become more modern and flexible to drive tourism to the area. The poor choice to turn off all social media was by far the worst decision the township has made. Sometimes I feel like the board is knee-jerk reactive to events and in particularly political talking points, but I think our township board needs to be careful and follow the law appropriately and fair as well as all the departments not giving preferential treatment to people or organizations that that the township wants something from. I'm sure the FBI would be interested in something like that. This place depends on tourism now, like it or not, and we need to do everything to support those people from being super active on social media, to embracing businesses on the water like the hotel, make sure things are walkable, not get locked up in odd ordinances like how many buildings someone can have on their property, and take a step back and really think what will make this place successful. Do some comparisons to other water towns in MI like Traverse City, Grand Rapids, Detroit, Muskegon, and national places like small coastal towns. They all have tourism businesses ON the water like restaurants, lodging, activities, and transportation. We do not have any of that and it is hurting us.	9/19/2022 2:32 PM
357	I have lived here all my life I am 59 years old. I find it very disappointing to see all the properties that look like sandford and son and this has been going on for years and years. I think you're doing a terrible job of listening to what the people want.	9/19/2022 2:28 PM
358	The various "codes" need to change so the owners of vacant buildings are required to make them look as the Noce and pleasing to the eye-we have so many vacant buildings and they look like absolute crap-which reflects poorly on the town.	9/19/2022 2:22 PM
359	why not use the old K-Mart building for local administrative meetings, offices. Plenty of parking, not congesting the main down town street. Also the developer who wanted to destroy Furtaw Field could have room for her "container box type" apartments with ample off street parking. And water slide. Dog walk-who wants a dog walk next to where food trucks are parked.(again Furtaw field)	9/19/2022 2:22 PM

362	I'd like to see the citizens put their money where their mouths are and volunteer time to put on events they would like to see instead of whining on the sidelines	9/19/2022 2:03 PM
363	How about bringing in Aldi's, Meiers, Target, Old Navy, etc.	9/19/2022 1:47 PM
364	Keep Furtaw field for community and residents use. Offer incentives for vacant buildings to rent or lease.	9/19/2022 1:31 PM
365	Decorations, flowers, lightpole art are presently very well done and spoken of	9/19/2022 1:29 PM
366	Could some of the empty buildings in Oscoda be divided into smaller units? The owner would have the advantage of 2 guaranteed incomes. The renters would have the advantage of sharing the cost of rent and operating (heat, electricity, etc.) And residents and visitors would have more places to shop. This would lead to more sidewalk travel and more people downtown. The businesses would not have to be related ("2 great destinations; 1 front door).	9/19/2022 1:23 PM
367	It would be nice to have a safe quiet clean place for families	9/19/2022 1:20 PM
368	Are you looking at additional shopping like east tawas has on Newman st?	9/19/2022 1:15 PM

370	Have never understood why the downtown area of Oscoda can not be developed to attract more people. Think Twas. Oscoda has a much nicer larger public beach and the potential is there to develop	9/19/2022 1:04 PM
371	I think downtown is looking better, we do need to encourage more local people to step up to create businesses that will cater to our current growth potential	9/19/2022 1:01 PM

380	I would like to see the Oscoda long term planning to be similar to that what is done in Tawas. We have a beautiful beach and pier area. We need restaurants/bars, and shops in the downtown area to draw people to our community.	9/19/2022 11:57 AM
381	Redo Furtaw field to look something like Plymouth's downtown park. A fountain at the center, brick walkways, trees, Multi use as a concert area, maybe food areas. This would appease the "Keep Furtaw" crowd and the more progressive crowds. It would be a magnet to the young families as well as older ones. No brainer.....	9/19/2022 11:17 AM
382	Kmart building /not another storage building	9/19/2022 10:01 AM
383	Same as above - the vacant buildings are a huge detriment. A more walkable shopping district would help pull people in. More shopping/dining options. Bike rentals business when the bike paths are all finished.	9/19/2022 8:40 AM
384	Existing empty buildings should be required to have clean, presentable windows. Junk should be taken out of windows and items should be placed in a pleasing manner. Empty storefronts do not have to look terrible to the public.	9/18/2022 8:07 PM
385	We'd love to bring a new business to the area as new residents	9/18/2022 7:47 PM
386	I think it would be beneficial to have bike night and the Beach Concert series on different nights. You'd have 2 different nights where people are attracted downtown.	9/18/2022 2:33 PM
387	Rehab and Develop the old school (River Rd & 23) or tear it down. Beautiful building that is empty for so many years. Perhaps a high rise condo with views of the lake. Pack house needs to be developed. There are too many pot shops (awful that one greets visitors right when you get in town), venue for kids/adult fun (like trampoline place, go-carts) - people pay money on their kids! How does this city not have a putt-putt course? Make fishing relevant to this community again, marina is largely empty. Looks like Harrisville has dedicated transportation into town (Van + bikes). Restaurants here are okay but not many options so we travel to Harrisville and Tawas many times for something different. Can't say that people in Tawas travel to Oscoda for dinner as restaurants here offer nothing special (mostly "bar food"). Get the Air Force Thunderbirds or the Blue Angels show at the airport. When the Thunderbirds performed years ago 50k+ flocked to Oscoda. The loss of K-mart was also detrimental. Anyone who needs clothing, shoes, home goods or appliances must travel to Tawas and go to Walmart. Tawas has the cool events. I'm a seasonal resident and would love to not have to travel far for dining, shopping and entertainment as I've already traveled 3 hours to get here. Make it so that my money is spent in Oscoda! Make it so that those in Tawas want to travel to Oscoda for dining, shopping and entertainment. If I were in Tawas, the only thing that would make me travel to Oscoda would be: the beach, canoeing, and the scenic stops on River Rd.	9/18/2022 9:29 AM
388	Have no input at this time	9/18/2022 12:14 AM
389	Hear lots of chatter about how Oscoda needs to be more like East Tawas... well it's not even set up (urban planning wise) to be that way. Would love to connect Furtaw field to the city beach in some way. That could be where you build out more of those family friendly stores and events. Along with bike friendly paths. Oscoda is a natural beauty - we need to keep an aspect of that while still looking to the future for growth (in smart ways - while keeping our green spaces just that... green). No need to build any type of business on Furtaw field - when there are plenty of empty storefronts and solid buildings available for that growth.	9/17/2022 8:18 PM
390	It would be nice if the buildings had a little bit more of a theme. Either build in the 'Lumberman' theme for a rustic look, or build on the Mai Tiki look for a fun beach themes/colors and trim. Anything to make the buildings look like they go together. Use Furtaw Field as a sort of piazza.	9/17/2022 7:44 PM

Have some sheds/small buildings in the surround with tables/fountains/gathering space in the middle. Example-the Villages town square in Florida.

391	Keep Furtaw Field. Develop areas on the old air force base	9/17/2022 4:37 PM
392	Make actual crossing areas other than at the lights only . 23 is too busy to cross most days . Make more pedestrian friendly. Bicycle events would be fun .	9/17/2022 1:30 PM
393	Eliminate short term rentals next to long term residential! Fitness facility for Oscoda residents (community center, senior center)—maybe utilizing K-Mart building. Get rid of empty buildings.	9/17/2022 9:57 AM
394	Hospital	9/16/2022 10:39 PM
395	We would love to see something done with Furtaw Field. I know we are in the minority but we don't think housing is ideal. More things for residents to use. I did like some of the sketches/ideas with places to gather. I think it's a great place for food trucks and seating areas, pool with slides for kids (for a fee). I wouldn't expect Oscoda to just spend money without a return. Things that would: 1. entice visitors to come and spend money in Oscoda, 2. Activities for residents to do (kids and seniors), 3. Bring value to Oscoda.	9/16/2022 2:29 PM
396	Perhaps tidy up the vacant store fronts...covering the empty windows with something promoting Oscoda, cut the weeds & grass of these abandoned properties. The flowers in town look beautiful. Thank you Oscoda Downtown Beautification Committee!	9/16/2022 9:55 AM
397	Do not sell or put a township hall on Furtaw Field	9/16/2022 8:41 AM
398	I think the facade improvement program is needed. I hope we can keep the movie theater operating but they have not had first run movies lately. The vacant buildings are a concern. It seems like much needed housing could go in the old highschool if tax incentives could go to the redeveloper. The beach park could be upgraded. I liked the social district this summer.	9/15/2022 10:51 PM
399	Oscoda Elementary has become a real eyesore , the fire department has grossly overgrown township hall, redevelop Furtaw-put the new fire station there, build a hotel / restaurant complex - something , it's currently a waste of lawnmower gas- unless the geese are allowed to have an opinion ! Is it possible to access higher taxes on vacant/ dilapidated businesses? It's so depressing coming into town from either direction and seeing all the empty storefronts. Oscoda needs to discard the "don't change a thing " attitude and strive for change, I know it's a scary idea to some of the older/ never-left-town crowd, but I truly feel Oscoda needs to dig deep and be willing to become a place people aka money want to visit!	9/15/2022 10:41 PM
400	What a waste of taxpayer money to invest in that brown building	9/15/2022 6:00 PM
401	Keep Furtaw a public attraction with various events and sporting events. Pop-up retail and the arts would go great at Furtaw. Keep that area for the public and utilize it year-round. That place has a ton of potential, a government building would be a total waste of prime real estate.	9/15/2022 5:01 PM
402	Tax abatements for incoming business owners and future potential businesses. Give potential investors an incentive to come here. Make Furtaw the town square for community activities such as sports & public events year round. Enhance Furtaw with the local public and seasonal tourists in mind. Do not put brick and mortar or any municipal buildings there.	9/15/2022 4:45 PM
403	In addition, to improving emergency health care services, I would love to have some sort of community center or gym with an indoor pool for lap swimming. The pool at the high school as erratic and inconvenient hours for working people. I didn't realize when I moved here I would have to give up my favorite form of exercise.	9/15/2022 4:40 PM
404	I think we should have an EIC Director with ties to our community. Look at the growth of Tawas and Alpena! Even Harrisville is opening new establishments	9/15/2022 2:03 PM
405	It would be nice to have different restaurants besides bars, pizza and bar food places. Something unique. A newer/modern gym option like the YMCA or a gym with a pool and sauna available to use. Larger movie theatre	9/15/2022 4:43 AM
406	Better dining business, coffee shops, and most importantly: better internet service	9/15/2022 4:11 AM
407	Can't think of any right now lol	9/14/2022 9:12 PM
408	fix the pot holes in drive ways at business	9/14/2022 8:12 PM
409	no more pot shops please	9/14/2022 7:21 PM

410	Why did we pay \$500K to buy property next to Oscoda beach to limit development then turnaround and sell it to a developer for a \$200K loss? Since we have very little business downtown any business would be needed.	9/14/2022 6:19 PM
411	Flower shops, Bakery(like Duncan Donuts) Tim Hortons Starbucks. Arbys, Dunhams Sport stores.	9/14/2022 5:15 PM
412	No	9/14/2022 5:13 PM
413	Already covered above	9/14/2022 3:59 PM
414	Buildings need updating in every way. We need more diversity in offerings. A township theme for our downtown would be nice. Roads are in great need of repair including gutters and sidewalks. More events for kids! Use furtaw field as an ice skating rink/ hockey in the winter!! More concerts! Bring in the headliners! A community center would be a wonderful addition for sports and fitness for all age groups!	9/14/2022 1:34 PM
415	I would like to see Furtaw field left as a venue for community events	9/14/2022 11:50 AM
416	Allow more business here without taxing them so much that they can't afford to stay here.	9/14/2022 6:45 AM
417	No	9/14/2022 5:55 AM
418	I would love to see the Township start a local airshow during the summer.	9/13/2022 11:15 PM
419	I feel like I submitted what I had to submit up above.	9/13/2022 10:30 PM
420	I think the township is doing a phenomenal job, oscoda is beautiful and I'm personally excited for the new hotell I lived in Oscoda my entire life and left 3 years ago, it'll be really nice to have another big name hotel option aside from the americ inn with the added bonus of being on the beach!	9/13/2022 7:27 PM
421	Hotel is an eyesore to our beach. Should have been built elsewhere.	9/13/2022 6:16 PM
422	Important activities for younger sports, place to social class about the topics they like Recreational center And more services and business can bring more productivity and grow the community.	9/13/2022 4:28 PM
423	casino	9/13/2022 4:16 PM
424	Instead of building in new locations, try tearing down the old first and updating the infrastructure, like the new medical building next to Gilberts. That was a good move.	9/13/2022 4:08 PM
425	If more residents didn't act so disgruntled about everything, then it might be worth the effort.	9/13/2022 3:54 PM
426	I would like to see more businesses open later	9/13/2022 3:48 PM
427	We have great restaurants but need more. Food truck beach area. We need a community center with a pool, walking track, exercise classes, art/craft classes	9/13/2022 3:24 PM
428	None	9/13/2022 3:16 PM
429	We need more things for kids to do. Maybe an roller skating rink. The old kMart building could turn into that or even approving a target or Biglots? I feel like we need to get rid of any bad vacant buildings, just ones that are not safe. We need to have healthy food options, maybe more locally owned restaurants and even authentic gift shops!	9/13/2022 3:14 PM
430	Business owners need to work more for the customers. Closing early only leaves most business to be conducted by retirees and non working individuals. Most people that work aren't shopping during the 9-5 hours	9/13/2022 2:56 PM
431	Na	9/13/2022 2:21 PM
432	Tear down the old school	9/13/2022 1:59 PM
433	Make the skatepark bigger	9/13/2022 1:45 PM
434	We, like many companies, are having trouble finding available workers. We have raised our starting wage by a dollar for the last 3 years. An 18-year-old with no work experience starts at \$15. The lack of affordable housing and rapid inflation are our primary concerns.	9/13/2022 12:53 PM
435	Less pot shops. They are ruining the area. Inviting the type of people that are in Flint/Detroit.	9/13/2022 12:47 PM

Unacceptable. Currently looking for a different home in Tawas due to how bad Oscoda has gotten. It is a run down town now.

436	A park with a pavilion with a fireplace at one end An exercise/dance area A dog park Family Video as a computer /coffee/area. Arby's or some building used for a Hotheads	9/13/2022 12:37 PM
437	Get the old KMart occupied. Target maybe?	9/13/2022 12:23 PM
438	N/A	9/13/2022 11:58 AM
439	Cleaning up the town.... Driving down river road to the school the bike path is awesome but it's over grown by the roadside, maintenance and maintaining is just lacking. The old crumbling building and eye sores of the town with over grown parking lots with weeds breaking through the pavement is an embarrassment when we bring family and friends up to the area. We need a larger splash pad and larger improved park! Ossinkee and Lincoln have great parks and are smaller than Oscoda but our beach park is so unsafe with the roots coming up and it needs to be expanded and cleaned up. Alpena and Tawas have great parks with splash parks/ the ones in Oscoda are just sad. The childrens park is the best one we have in town and it's not even Oscoda it's AuSable. We need to get more for the kids/teens in this town. The closure of the base gym was a sad thing to go. We have no amenities for our residents because "nature" and the township focuses on catering to the tourist.	9/13/2022 11:53 AM
440	bring in good shopping options so people stop going out of town to spend money. Don't just cater to seasonal visitors. Your local people are spending year round money in other places because there isn't anywhere here to spend it on. I am not going to buy a "had fun in Oscoda" shirt or nick knack every day in oscoda. But I will spend money on my daily needs and entertainment for my family. I am growing my rather large family in this town and it is incredibly difficult to do so. We want to buy here but are probably going to look in Tawas or Alpena because it is a better option for a family.	9/13/2022 11:39 AM
441	None	9/13/2022 11:13 AM
442	They say imitation is the biggest form of flattery. Let's try to be more like Tawas. Open up both Oscoda and Tawas event calendars side by side. We have the potential too. Use it. Also, how does a business like Cliffs Book store even stay in code compliance? It's a rats nest on the outside and peeking in looks worse. Happy for any progress!	9/13/2022 10:05 AM

444	Updating older buildings or taking them down	9/13/2022 9:51 AM
445	Promote reasonable leasing so small businesses/franchises can get a chance. Arby's was chased out due to ridiculous rent increases and now again the building sits empty	9/13/2022 9:46 AM
446	The Farmers market on Wednesday should be moved to the weekend to allow people who work to enjoy it as well.	9/13/2022 8:47 AM
447	put an ice rink in Furtaw field...improve the skate park. give the kids some stuff to do	9/13/2022 8:43 AM
448	We have available space for a parking lot for visitors to park as they explore the town. Put up map for local interests	9/13/2022 8:31 AM
449	The parking lot at the beach is in need of being redone and enlarged. Summer events have shown there is not enough parking at the beach. Also, there is plenty of space on the south end of the beach park for more children's playground equipment to be installed (by the metal horse and train spring seats) it should get utilized better with more things for kids to do down that way.	9/13/2022 8:27 AM
450	Selling of the land by the beach before having empty building filled will not encourage people to stay with the amount of empty unused spaces.	9/13/2022 8:11 AM
451	seafood, authentic Mexican, steakhouse, pasta, buffets. malls shopping. places to rent. uber, easy bike access. cheaper gas. cheaper groceries. Oscoda need an uplift, update. everyone is stuck in the 80s and doesn't want to change. that has to change. we need to be in 2022. be more open minded, willing to change and by kinder to one another and the younger generations. they are the future.	9/13/2022 8:05 AM

483	The biggest thing in Oscoda is the fact that it isn't a retirement community, and the folks running it should realize that, seems to be the way its run. There has been many options to bring people/money to the area and it gets shot down by the so called bored. All events will help the community and the area business. No events no business.	9/12/2022 5:20 PM
484	Like to see more emphasis on General Aviation services at the airport. Would like to see the town sponsor a part 135 commuter service or a scheduled airline to Saginaw and Detroit.	9/12/2022 5:15 PM
485	Eliminate the vacant buildings, do not build on the shore. Add parks and recreation along the AuSable river	9/12/2022 4:52 PM
486	get a jimmy johns	9/12/2022 4:37 PM
487	I love this town and can't wait to see it improve, thank you.	9/12/2022 4:35 PM
488	Redo roads, especially side roads.	9/12/2022 4:26 PM
489	I'm sure sponsors and volunteers would come together for a beautification committee to paint/clean/refresh the empty ugly storefronts	9/12/2022 4:18 PM
490	Improve downtown buildings. It looks like an abandon town! Get those sun faded pictures out of that photography places windows. It looks horrendous! Don't destroy or build on furtaw field! Make it a beautiful park, hold more community events there. And why in the world is the holiday inn destroying our beautiful beach park?!? I'm all for a new hotel... but why was it not built on the north end of the beach? Or elsewhere in this town?? Why destroy our only beach?!?!?! It is such an eyesore!!!!	9/12/2022 4:18 PM
491	What would it take to get Meijer here? If it was somewhat near Kalitta, everyone would run there to buy quick things for lunch and everyone would shop there after work. That's over a thousand people pretty much guaranteed to go there every day.	9/12/2022 4:16 PM
492	Any business is good business. Utilize the base more by allowing more commercial business to come in without all the red tape. Housing is an issue. People have a hard time finding places to rent or buy.	9/12/2022 4:16 PM
493	I'd love to see more events, like how The Office does Bike Night. Themed events would be fun, live music etc. A vintage thrift shop for nicer items than Goodwill offers. A breakfast place, mexican restaurant, brewery with outdoor seating.	9/12/2022 4:15 PM
494	Build more housing for people. Not enough places to rent.	9/12/2022 4:13 PM
495	do something with furtaw or put housing there. Its an empty field full of goose poop.	9/12/2022 4:13 PM
496	I love that we have 4 Pot shops and No Restaurants. What a Joke Oscoda Is	9/12/2022 4:12 PM
497	We need activities for our youth. The old Kmart would have made a great youth activities center.	9/12/2022 1:43 PM
498	The township needs a full time code compliance officer that is professionally trained and can work with zoning director to enforce current ordinances like vacant builds and blight...	9/12/2022 12:57 PM
499	Offer tax incentives to bring business to the downtown	9/12/2022 10:08 AM
500	More downtown public parks. Nicer curb appeal such as new sidewalks, new street light designs etc.	9/11/2022 7:38 PM
501	I feel the Economic Improvement Director does not have the best interests for our community. Debate via Social Media is not how we should communicate with our residents.	9/9/2022 2:48 PM
502	Need to frequently petition larger grocery companies (Aldi's, Meijer) to consider our community as well as encouraging investment for tourist type of businesses.	9/9/2022 9:12 AM
503	In person Q&A sessions outside the OTB meetings. Sue Allor holds this often. Oscoda Township should also do this. In addition, our elected Iosco County officials should do the same.	9/9/2022 8:54 AM
504	Any events and or business that makes sense for the community and will generate profit for all business owners in the present/ future. Also to have great things for the community to do/attend would be amazing.	9/9/2022 2:38 AM

505	How bout' a recreation center	9/8/2022 10:04 PM
506	Not sure	9/8/2022 4:42 PM
507	Be more transparent. Resume the Zoom meetings. Be open with the public. Clean up the broken down buildings. Ask the residents and voters what we want to see. Do not think you know better than we do. We did not elect/ hire you to think for us but to govern with us in our best interest	9/8/2022 3:29 PM
508	A community center is very much needed	9/7/2022 8:09 PM
509	Would love to see downtown grow. Hopefully the completion of the new hotel will spur development. However, until we solve the housing crisis, downtown is limited as we do not have the population base or open-minded older citizens that want to see the Oscoda area grow...seems like they all want to keep Oscoda a secret so that we stay a retirement community. This is short sighted as growth via a wider variety of businesses will improve the community for everyone...while we are still rural enough to be a retirement community. Seems like everyone recognizes changes need to be made....yet no-one is willing to make any.	9/7/2022 3:53 PM
510	I would love to see Oscoda grow into a beautiful downtown. We need less empty storefronts and more businesses in town. We also need more affordable housing/rentals. If we want to see change, have SpaceX come in, and continue to prosper as a town, we are going to need to be open to change and improving our area!	9/7/2022 2:23 PM
511	I would like to see something done with Furtaw field. I know this is a point of great contention in the area, but it is basically a place for the Geese to poop. I believe more parking in the downtown area would be nice. I happen to have a great lot for sale on at 200 N State street that may be perfect for that use. (I own Sterling Properties). Personally I think that the Hotel is a big plus for us and may even help to get more downtown sidewalk traffic that will help fill some of those empty store fronts.	9/7/2022 1:09 PM
512	1-I would love to see more benches and garbages cans downtown. 2- Clean and decorate the windows of empty businesses so they don't LOOK empty when driving. 3- Require property owners to maintain their property! 4- Have the city buy the empty lot next to Truly Yours for a park with a fountain, benches, trees, sculptures. You could also use that spot for the town Christmas tree, a place to set up food stands during parades, etc. Something that encourages people to walk a block further than they currently do. 5- Encourage retail rather than office space in the downtown blocks.	9/7/2022 1:06 PM
513	We think there should be some round abouts on US 23, especially as the township may grow causing backups. Overall there should be sensitivity to light pollution, with street lighting and signage that reflect downward, so that the night sky is more visible. We think beautifully maintained public parks are extremely important and provide not only opportunities for development but a high quality of life for residents. They draw visitors who spend money locally, offsetting the cost to locals to maintain the parks year round. There are newer businesses like Enchanted Blooms, To the Moon, Sunrise Kava, etc. that are so awesome. We spend money on their products or services. We find most of the old restaurants in dire need of some updating, in terms of food offerings and decor. Just look at any other tourist city, like Traverse City. People will travel far and wide for exciting food. Offer local specialty products. Made the stay an experience. Work with the DNR to provide free classes about the outdoors in the downtown or near it. Create a bike trail from Oscoda to Alpena. Make bike trails to connect all the parks. Do what the Tawas are doing! Oscoda now is basically a drive through town and most people in Michigan, let alone the Midwest, have no idea how beautiful our beach and surrounding woodlands are. It's not just about promotion; it's about opening the side streets to water views and event spaces off US 23, like Furtaw field with large shade trees, a fountain, a skating rink, an amphitheater, restrooms, etc. that make people stop in town, instead of by passing it. Get the DNR grants and develop Furtaw as well as all the other parks into more beautiful public spaces. Do not sell the public beach to the new hotel, keep all the public space public, but enhanced to that the private property will become more desirable for development.	9/7/2022 1:03 PM
514	Our Chamber of Commerce and CVB are useless. No events or community competitions for business's. In talking with communities around us that are being successful with tourism they're business's have taken over doing events and ensuring the success of thier downtown. I feel we are going in the right direction but need more young people and business owners involved in making us a success.	9/7/2022 11:13 AM

515	Please leave Furtaw Field vacant. The green space is unique and irreplaceable. I would support purchasing and tearing down vacant buildings to create more pocket park and parking spaces in town.	9/7/2022 7:39 AM
516	Holiday Inn Express is welcomed. It's location is not! It detracts from the pier, the beach and the park.	9/5/2022 1:58 PM
517	Developer Furtaw field as a more active public park.	9/4/2022 11:31 AM
518	Left turn light at River Road onto main street/23 when heading east on River Road.	9/4/2022 10:14 AM
519	Not interested	9/4/2022 7:30 AM
520	Oscoda misses the boat. Putting a holiday inn on the property that the township has been trying to buy for years and taking a 100,000.00 loss is a disgrace to the community. The public beach is so busy with kids and families now, it would have been nice to have other activities for the public to use on that property. Tawas is so much busier because they offer use their water front for the public to enjoy. If Oscoda has so much money to give to holiday inn, they better never ask for a millage again.	9/3/2022 10:02 PM
521	Define downtown Oscoda. Include AuSable township residents because they do most of their buying in the Oscoda township. 45% of their population is 65 and over. Be sure to use survey methods to reach all demographics	9/3/2022 9:29 PM
522	The library is awesome. Would like to see more at the beach park. Playground equipment that is newer, for older kids. Exercise at the beach is great. Keep Furtaw Field and use it more for events. Don't build on it.	9/3/2022 9:11 PM
523	Need year round events, murals should be everywhere possible. Vacant buildings need to be painted and cleaned. Ice sculpture festival would be great. Incentivize building owners to clean/fix lease/sell their buildings with a worthy abatement, hire a full time grant writer for the township identifying properties that would enhance the township, do something with Furtaw, sell it, mixed use or event park. Committees should come up with a plan for mixed use and make it disposable for LOI's. The Art Walk is awesome and should be added upon each year. Whomever did the Art Walk, congrats and thank you, excellent job. The flower team makes a huge difference. The downtown flowers look great.	9/3/2022 4:59 PM
524	Please keep the grass cut and trim the tree's along US23. If a building is vacant if the yard isn't maintained... have the township do it and charge it to their taxes !!!!	9/3/2022 3:18 PM
525	My husband calls Oscoda a drive through town. I agree, something needs to be done with all the vacant buildings.	9/3/2022 3:12 PM
526	For the longest time the vacant ex-Arby's building was overgrown with weeds and was an eyesore and an embarrassment. Even though the Township doesn't own vacant properties they should make an effort to at least keep the buildings presentable.	9/3/2022 2:52 PM
527	Wish you wouldn't have let the hotel be built at the Beach park, I walk my dog there in the morning, and feel the hotel will impede the peaceful mornings at the park.	9/3/2022 2:41 PM
528	Would like to see on street parking on US 23, outdoor dining when and where practical.	9/3/2022 2:34 PM
529	Put parking back on main street.	9/3/2022 2:26 PM
530	The store owners need to wash their windows, make it look like you want business, that you are open!! Get rid of the flower boxes, they look cheap!	9/3/2022 2:15 PM
531	New Township Hall and Police Department/Fire Department	9/1/2022 2:15 PM
532	It's necessary to remember that what happens in the Oscoda and AuSable areas affects the entire Iosco County region and the U.S. 23 corridor. More housing, the addition of the SpacePort, the new hotel and a revitalization of the Downtown area all will help Oscoda to prosper. History has to be remembered and celebrated, but it cannot hold this community back.	8/26/2022 6:10 PM
